Report on Webinar on World Health Day

On the occasion of World Health Day, 7th April 2021, a webinar on the topic "Yog for Peace and Well-being" was organized by Department of Management at S. B. Jain Institute of Technology, Management & Research, Nagpur. The invited guest speaker for this occasion was Dr. Ujwala Chakradeo, Principal of Smt. Manoramabai Mundle College of Architecture, Nagpur. She is M.Tech., V.R.C.E. Nagpur, II Merit and Ph.D. from VNIT, Nagpur

The speaker enlightened the Staff Members and Students about the importance of yoga. She also explained that how yoga helps to attain the mental and physical well-being. She said that there is a conceptual relationship between our mind and brain like brother and sister. Our mind is transient but our brain is intelligent. Hence, it is essential to establish the balance between the two. The mind, body and brain are aligned only with help of "Yog-sadhana".

Her session was easily comprehensible to all the participants and will help the participants to outshine in their lives.

The Institute is grateful to Dr. Ujwala Chakradeo Madam for giving her precious time and sharing her monumental knowledge.

Department of Electronics and Telecommunication Engineering under IETE committee organized "Quiz on Aptitude development" The quiz was organized for Engineering and Polytechnic students. The session was scheduled on 03rd June from 11:00 Noon.

The event is organized to endow with a platform to exchange knowledge among young technocrats to enhance their Aptitude skills . The main reason companies use aptitude testing is to improve the quality of hiring and promoting. Tests are often much more efficient than interviews for determining if a person has the potential to do a job well. And when designed properly, aptitude tests can fairly and objectively compare and contrast the potential of different candidates. Certificates were also provided to the participants scoring marks 70% and above. Dr. S. L. Badjate, Principal and Dr. Abhay Kasetwar, Head of the department appreciated the event with other faculty members. Prof. Ayushi Jaiswal coordinated the event along with President Mr Sahil Nagmote & IETE committee.
