

S. B. Jain Institute of Technology, Management & Research, Nagpur
Department of Electronics & Telecommunication Engineering

"Emerge as a center for quality education in Electronics & Telecommunication Engineering, so as to create competent professionals"

Academic Session 2020-21 (ODD)

Report on Action Taken (Academic Feedback-I)

Date: 24/10/2020

- Academic feedback has been discussed with respective subject faculties after feedback analysis. Action plan for further improvements was provided by respective faculties and further followed by appropriate remarks by Head of Department.
- Faculties with average feedback have been counseled for shortcomings and suggestions were advised by Head of Department.
- It was observed that there were issues in Practical Batch A3 and B1 of DSP Processor and Architecture subject of 7th Semester and Practical Batch A2 of Microprocessor and Microcontroller subject of 5th Semester. Respective faculties were counseled based on the findings while interacting with them.
- Also faculties with excellent feedback have been appreciated by Head of Department for their efforts in order to motivate them.

Dr. Abhay R. Kasetwar
Head of Department

Report on Action Taken (Academic Feedback-II)

Date: 24/12/2020

- Academic feedback has been discussed with respective subject faculties after feedback analysis. Action plan for further improvements was provided by respective faculties and further followed by appropriate remarks by Head of Department.
- Faculties with average feedback have been counseled for shortcomings and suggestions were advised by Head of Department.
- It was observed that there were issues in Practical Batch A2 and B1 of DSP Processor and Architecture subject of 7th Semester and Practical Batch A2 of Microprocessor and Microcontroller subject of 5th Semester. Also there were issues in 3rd Semester Section-Bin Applied Mathematics subject. Respective faculties were counseled based on the findings while interacting with them.
- Also faculties with excellent feedback have been appreciated by Head of Department with appreciation letters for their efforts in order to motivate them.

Report on Action Taken/Plan (Student Satisfaction Survey)

Date: 07/01/2020

Following issues have been identified from Student Satisfaction Survey and following actions have been taken respectively.

Sr. No.	Identified Issues	Action Taken/Plan
1	Awareness of various competitive examination and assistance for preparation.	Head of Department will discuss this issue with concerned faculty incharge and will ask to take necessary steps.
2	Lack of Placement Opportunities	Report has been submitted to Principal.
3	Proper setup for online teaching	Issues will be discussed with Principal for required actions.
4	Focus on academically weak students	Head of Department will discuss this issue with concerned faculty incharge and will ask to take necessary steps.
5	Student Interaction	Head of Department will discuss the issue with faculties and will ask the faculties to encourage interaction, use innovative techniques for better understanding of subject content and if possible recorded lectures could be made available to students.
6	Improvise online teaching learning	
7	Project and application based learning	
8	Recorded Lectures	
9	Laboratory Infrastructure and Practical Sessions	Head of Department will discuss this issue with concerned faculty incharge and will ask to take necessary steps.

Report on Action Taken (Academic Feedback-I)

Date: 17/04/2021

- Academic feedback has been discussed with respective subject faculties after feedback analysis. Action plan for further improvements was provided by respective faculties and further followed by appropriate remarks by Head of Department.
- Faculties with average feedback have been counseled for shortcomings and suggestions were advised by Head of Department.
- It was observed that there were issues in Practical Batch A2 of Microwave and Radar Engineering subject of 8th Semester and Practical Batch B2 of Software Workshop of 4th Semester. Respective faculties were counseled based on the findings while interacting with them.
- Also faculties with excellent feedback have been appreciated by Head of Department for their efforts in order to motivate them.

Report on Action Taken (Academic Feedback-II)

Date: 19/05/2021

- Academic feedback has been discussed with respective subject faculties after feedback analysis. Action plan for further improvements was provided by respective faculties and further followed by appropriate remarks by Head of Department.
- It was observed that students of 4th Semester Section-A are facing learning issues in Applied Mathematics-IV. Practical Batches B1 and B3 of 4th Semester Section-B have issues in Power Devices and Machines and Software Workshop. Also, Practical Batches B1 and B3 of 4th Semester Section-B are having issues in Electronic Workshop & Practices and Digital Circuits & Fundamental of Microprocessor respectively. Also, students of Practical Batch A2 of 8th Semester Section-A and B3 of 8th Semester Section-B are finding difficult to understand Microwave and Radar Engineering practical. Faculties feedback have been counseled and suggestions were advised by Head of Department.
- Also faculties with excellent feedback have been appreciated by Head of Department for their efforts in order to motivate them. Faculties with overall excellent feedback throughout the semester are awarded with appreciation letters as well.

A handwritten signature in blue ink, appearing to read 'Kasetwar', with a horizontal line underneath.
