Subject: Teachers Feedback for Academic Session 2020-21 (ODD Semester.)

Respected Sir,

First Year Engineering department have successfully conducted Teachers feedback. Find enclosed herewith the observation of the feedback for your kind information.

Thanking You

Prof. Abdul Gaffar
Head of Department

Enclosure:

1. Report on Teachers Feedback
2. Action Taken Report

Copy to:

FIRST YEAR ENGINEERING DEPARTMENT

“Emerge as a leading Institute for developing competent and creative Professionals”

Academic Session: 2020-21 (ODD)

Report on Action Taken/ Plan (Teacher’s Feedback)

Date: 25 /05/2020

Following Points have been identified from teacher’s feedback.

- As per the discussion, the faculty members of the department were suggested to make use of ICT based teaching methods for the upcoming sessions.
- A Discussion has been conducted with all the subject teachers for suggestions regarding review of syllabus and take note of it.
- Suggestions of content beyond syllabus are discussed with the faculties by the Head of the Department and this topic will be tried to cover in the coming semester.
- Faculties are motivated by the Head of the Department for attending STTP’s and FDP’s in the duration between two semesters.

Your Sincerely

Prof. Abdul Gaffar
Head of Department

Teachers Feedback Report

Session: 2020-21 (ODD Semester.)

Date: 25/05/2021

With reference to the feedback response collected from faculty it has been analyzed by using excel and the following report has been generated.

1. Adequate coverage of syllabus. (All Theory)
 - 100% syllabus is covered in I semester.
2. Adequate coverage of syllabus. (All Practical)
 - 100% syllabus is covered in I semester.
3. Use of ICT viz. LCD Projector, Audio & Video aids is approximately 75%.

Suggestions towards review of syllabus/course contents taught by faculty:

1. Engineering Curves, Isometric was perfect topic can be added, so students can score.
2. Application oriented syllabus has been framed and delivered to students as well. students can use of practical software
3. Increase in practical conducting hours. Case study of important analysis.
4. Activities enhanced the students understanding regarding EE (TH) subject, it's a very good initiative.
5. Course content is admirable & valuable for Industrial as well academics.

Scope of content beyond syllabus/ contemporary topics that could be included in the next semester:

1. Stress Strain relationship can be introduced in engineering Mechanics.
2. Orthographic Projection and Missing view can be added in Engineering graphics
3. We have to focus on Research and development work for students
4. In communicative English we can add the topic of email writing

Suggestions for Departmental

1. Labs need to upgrade. Importance should be given to departmental activities
2. Quality of HR policy, policy should be implemented for a session , If yours CL are already balanced then it should be automatically counted basically in pandemic situation

Abdul Gaffar

To,
The Principal,
SBJITMR,
Nagpur.

Student satisfaction survey was conducted from 17 May 2021 of First semester students. The responses from students have been scrutinized and summarized. The summary is discussed with few faculties by the HOD. Certain issues come from the students side which was discussed and resolved at the departmental level.

This is for your kind information

Thanking You,

Yours Sincerely

Report on Action Taken (Academic Feedback-I)

Date: 2/08/2021

- Academic Feedback has been discussed with respective subject faculties after feedback analysis. Action plan for further improvements was provided by respective faculties and further followed by appropriate remarks by the Head of the Department.
- Faculties with the average feedback have been consulted for shortcoming and suggestion where advised by the Head of Department.
- Also faculties with excellent feedback where awarded by appreciation letter for their efforts in order to motivate them and Faculties where found unsatisfactory performance asked to submit written explanation.

Yours Sincerely

Prof. Abdul Ghaffar
Head of Department

Report on Action Taken (Academic Feedback-I)

Date: 22/07/2021

- Academic Feedback has been discussed with respective subject faculties after feedback analysis. Action plan for further improvements was provided by respective faculties and further followed by appropriate remarks by the Head of the Department.
- Faculties with the average feedback have been consulted for shortcoming and suggestion where advised by the Head of Department.
- Also faculties with excellent feedback where awarded by appreciation letter for their efforts in order to motivate them.

Yours Sincerely

Prof. Abdul Ghaffar
Head of Department

Report on Action Taken/ Plan (Teacher’s Feedback)

Date:17 /09/2021

Following Points have been identified from teacher’s feedback.

- A Discussion has been conducted with all the subject teachers for suggestions regarding review of syllabus and take note of it.
- Suggestions of content beyond syllabus are discussed with the faculties by the Head of the Department and this topic will be tried to cover in the coming semester.
- Faculties are motivated by the Head of the Department for attending STTP’s and FDP’s in the duration between two semesters.

Your Sincerely

Prof. Abdul Ghaffar
Head of Department

Teachers Feedback Report

Session: 2020-21 (EVEN Semester.)

Date: 17/09/2021

With reference to the feedback response collected from faculty it has been analyzed by using excel and the following report has been generated.

1. Adequate coverage of syllabus. (All Theory)
 - 100% syllabus is covered in II semester.
2. Adequate coverage of syllabus. (All Practical)
 - 100% syllabus is covered in II semester.
3. Use of ICT viz. LCD Projector, Audio & Video aids is approximately 95%.

Suggestions towards review of syllabus/course contents taught by faculty:

1. In Engineering Chemistry brief information about preparation of soap, battery can be included.

Scope of content beyond syllabus/ contemporary topics that could be included in the next semester:

1. Artificial intelligence and advance applications of lasers.
2. Intersection of Solids, Traces in line and Isometric of solids axis not intersecting can included in Engineering Graphics and Design

Suggestions for Departmental

1. More focus on Smart Classroom for good content delivery.
2. Students with less than 75% attendance should not allowed in any extracurricular activity.
3. Students leave shall be sanctioned after a letter or call from parent/guardian
4. Lab facility, requirement of latest design software's
5. More focus should be done on faculty development
6. Need strong HR policy

Subject: Report of Course End Survey and Student Satisfaction Survey for academic Session 2020-21 (EVEN)

Respected sir,

First Year Engineering Department has successfully conducted Course End Survey and Student Satisfaction Survey for academic Session 2020-21 (EVEN). Report of Course End Survey and Student Satisfaction Survey are put forth for your kind information.

Thanking You

Yours Sincerely

Prof. Abdul Ghaffar
Head of Department

Enclosure

1. Report of Course End Survey
2. Report of Student Satisfaction Survey

CC To;

The Principal

S. B. JAIN INSTITUTE OF TECHNOLOGY, MANAGEMENT AND RESEARCH, NAGPUR

(An Autonomous Institute, Affiliated to RTMNU, Nagpur)

FIRST YEAR ENGINEERING DEPARTMENT

“Emerge as a leading Institute for developing competent and creative Professionals”

COURSE END SURVEY SUMMARY

SESSION-2020-2021

SEMESTER-II

GROUP-I

SECTION-A

Sr. No.	Name of subject	Subject teacher	Rating %					% Feedback
			Excellent	V. Good	Good	Fair	Poor	
1	Engineering Mathematics-I (T)	Dr. RupaliKelkar	26.90	42.86	24.05	5.71	0.48	78.00
