S. B. Jain Institute of Technology Management and Research organized a colorful, memorable and a mega event “**MANTHAN 2019-An overall personality development course imparting transferable and life skills**”. This was a whole daylong event and was held in Jain International School (JIS) Campus.

The day started with official Inauguration of MANTHAN by **Dr. Sumant Tekade**, well known corporate trainer and a motivational speaker. Manthan-2018 achievers Ms. Khushboo Sahare, Nahush malode, Mr. Aditya shegaonkar were present as guest of honor. The Chief Guest at the inaugural congratulated the college management for organizing such a mega event, which involved participants from almost all the departments at the very fifth year since its inception. **Dr. S. L. Badjate, Principal** along with Heads of Department was also present there. The enthusiasm of the event amongst students got its zenith with a lively flash mob in the beginning and with the motivating speech of the chief guest. Dr. Sumant Tekade appealed to the students at the inauguration ceremony to believe in themselves and take serious efforts to improve their skills in order to be employable engineers. The students then headed towards registration desk. The Count of **207** students was divided into **four group's viz. Knight Riders, Superkings, Sunrisers, Royal Challengers**. The session started with formal welcome of experts from “**Rubicon Pvt. Ltd.**”, Pune and **Mr. Hitesh Dewani, Co-founder, H R Mentors, Nagpur**.

For motivating, encouraging and preparing students for their future goals, various activities were scheduled for them such as Expectation Setting, Ice – Breaking, Public Speaking, Aptitude training etc. They learned about some strategies of time management namely goal setting, self-control, planning, execution/action, distractor overcoming etc.

The day ended with a surprise event “**Hasyantaran**” for students followed by refreshment. Comedian **Mr. Kabeer Kang** entertained the audience and reminded them of the positive and bright side of life, through their stand-up comedy. The musical and rhythmic words of the poetry by Poet **Mr. Zafar Khan** are enjoyed by the students. They enjoy the beauty of thoughts, feelings, expressions, and rhyming in the poem.

The second day of **MANTHAN-2019** started with lot of excitement and enthusiasm. Positivity was at its peak in the environment. Students reported at morning 8:30 am sharp in canteen premises. After having breakfast students headed towards their classrooms. Batch started with the very creative introductory session where students have to introduce themselves in a novel way. They have to mention an adjective or quote to describe them. It was an enjoyable ice-breaking exercise and it was observed that students were quite engrossed in exercise. This was followed by discussion on the self, ones desires, dreams, passion and motivations. Students were told how to important their dreams and desires are for developing the personality.

The aptitude trainer from TIME **Mr. Deepak Nagpal** shared innovative and easiest tricks, techniques and methods to solve Quantitative Aptitude and Reasoning. Students learned the tricks to solve maximum numbers of questions within a limited period of time. The team from **Rubicon Pvt. Ltd., Pune** focused on Industry expectations, the importance of professionalism and leadership qualities.

After this fun packed morning the time came for which each and every student was excited i.e. **“DABBA PARTY”**. It was arranged for students at school playground with lots of surprises. The party was filled with the fragrance of food triggering the hunger and all relished the multi-cuisine food. Good food and funny conversations were the fondest memories of Dabba Party.

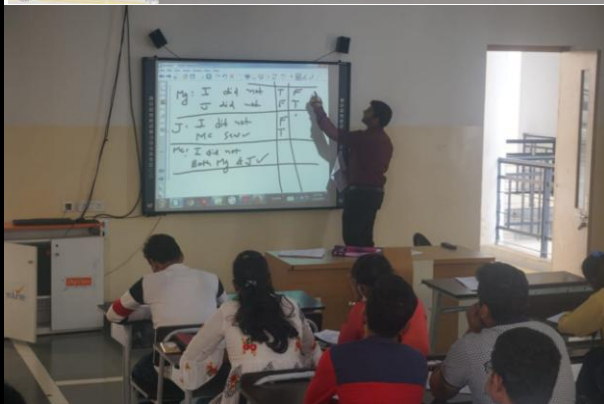

The day ended with the surprising event “**Fashion Fusion - The Ramp Walk**” showcasing business dress etiquette. The event grabbed limelight by the presence of **Mrs. India 2017 Soumya Mangalani**. The students enjoyed the eye-catching performance of participant.

Name of Activity	MANTHAN 2019 DAY - 3
Date of Activity	25/12/2019
Place of Activity	Jain International School Campus
Total No. Of Attendees	189

Day 3 at MANTHAN “Christmas Day” began with great zeal, excitement and frolicsome atmosphere. Soaking in the spirit of Christmas students moved towards sessions followed by breakfast.

Resume writing and Group discussionsessions were carried out by the experts from **Rubicon Pvt. Ltd.Pune.Mr. Rahul Zunzunwala, Director, TIME** was aptitude and logical reasoning expert for the day.He explained that selection process of industries is based on knowledge ofengineering topics and for cracking aptitude test needs practice. Students acquired the requisite skill set to think ‘Out of the Box’ and develop a rational approach towards problem-solving.In addition to this, outward activities were conducted to develop teamwork, leadership and time management qualities.

After the lunch, Mock Personal Interviews were conducted wherein panels were designed to aware the students about the interviews held the companies. Panels consisted of the Rubicon Experts and the Manthan Coordinators. They stressed on three most important factors that an interviewer look for in the candidate, that are- competence, motivation and the right fit. Intellectual horsepower, positive attitude, practical approach were some of the qualities, those were most highlighted. This session was helpful for the students in developing the Right body language and necessary information that is useful in the professional Environment.

The day concluded with Christmas Celebration. The students shared and exchanged gifts with each other. There was also a surprise element towards the end of the event. Santa Claus came and gave gifts to students. All enjoyed the day very much.

Name of Activity	MANTHAN 2019 DAY - 4
Date of Activity	26/12/2019
Place of Activity	Jain International School Campus
Total No. Of Attendees	180

The special cold, pale light and soft air made **MANTHAN 2019 Day 4** more energetic. All the students were present in professional attire for the Mock Personal Interviews. The panels were designed to aware the students about the interviews held by the companies. It consisted of experts from **Rubicon Pvt. Ltd. Pune** and the MANTHAN Coordinators. They scrutinized all the resumes submitted by the students and framed suitable interview questions for each candidate. The panel allotted around 15-20 minutes for each candidate.

The mock interview for the students included the answering behavior based, hypothetical and classical question. The behavior based questions elicits information about how one has performed in the past because past behavior is good indicator of how you will function in the future. The panel used hypothetical question to establish how one would react to and handle real life situations on the job. The panel also emphasize on certain skills, knowledge, personality traits and attitude. The panel suggested for right gesture, body language and proper posture to create successful impact on the interviewers.

Name of Activity	MANTHAN 2019 DAY - 5
Date of Activity	27/12/2019
Place of Activity	Jain International School Campus
Total No. Of Attendees	192

Day 5 at MANTHAN was the evaluation and recreational day. Evaluation includes Test on Aptitude, Group Discussion and Personal Interviews.

Day began with the offline test which was of 30 Marks for 45 Minutes. The test was designed to measure Analytical Ability, Numerical Ability, Reasoning Ability and Data Analysis skills of a candidate.

After the test, batches were made for Group Discussion which was taken by Rubicon Experts and Manthan coordinators. It was evaluated on the basis of personality and soft skills of candidate, ability to discuss and clarify own thoughts, views and opinions and come to a conclusion on the certain topic.

Followed by the Group Discussion personal Interviews by the industry experts were scheduled for all the candidates. The software industries involved in the process were **Cojag Smart Technology Pvt. Ltd., Smart Digital WebNMobile Technologies Pvt. Ltd., AnkHub Technology, Think Beyond Tech, Hasten Solutions and AUV Technology.** The core companies such as **Suntria Energy and KFA Technologies** were also the part of the drive. The companies selected students for stipend and non-stipend based internships. This was the outcome of the hardwork that the students had done during the first 4 days at Manthan.

After these 5 days rigorous Training provided in Mathan 2019, the evening was celebrated as the recreational evening which included pool party with a DJ Night for students. It was organized at the Basketball Ground in JIS Campus. The students were witnessed shaking a leg and dancing with joy and happiness of the beautiful 5 days at Manthan. The day ended with a splashing and fun pool party which included some fun games and students enjoying themselves in the pool on a beautiful winter evening with food and frolic. Followed by the pool party Valedictory was conducted to declare Miss and Mr Manthanite and appreciate the students who received internships. Farewell was given by sending off wishes to the students for their bright future.
