Year/Semester/Section: Second/III, Third/V & Fourth/VII

Date: 23/10/2023

- Student Feedback-I was successfully conducted by the department as per the academic calendar.
- In VII semester out of nine courses, the feedbacks for seven courses were recorded as "Very Good" and for two courses i.e. Micro-Electro Mechanical System (MEMS) and Wireless and Mobile Communication were recorded as "Good".
- In V semester out of nine courses, the feedback for one course i.e. Wireless Sensor Networks (Open Elective-II) was recorded as "Excellent". Whereas the feedbacks for remaining eight courses were recorded as "Very Good".
- In III semester out of eight courses, the feedbacks for seven courses were recorded as "Very Good". Whereas the feedbacks for remaining one course i.e. Electronics Devices and Circuits Lab was reported as "Good".
- Academic feedback has been discussed with respective course in-charges.
- The faculty members with "Excellent" and "Very Good" feedbacks were appreciated and motivated personally and in a departmental meeting as well by the Head of Department.
- The faculty members with feedback as "Good" were counseled by the Head of Department for the shortcomings and were given various inputs for the further improvement in the course delivery.
- Action plan for further improvements was taken by individual faculty member.
