I. PURPOSE & SCOPE

The purpose of this Memorandum of Understanding ("MOU") is to establish a relationship between the **Department of Computer Science & Engineering, SBJITMR** and the organization **Agresar Foundation**.

WHEREAS, the Organization's services or program described in this MOU will be provided at no cost to SBJITMR, the students, or the parents; and

BOTH PARTIES HEREBY enter into this MOU to enable the Organization and the Institute to provide said services/program on site(s) selected in Section III of the MOU.

Social activities are a part of the process, through which students develop the skills, attitudes, and values necessary to acquire social and emotional competence. It is the statutory object to pertinent issues that plague the society and collaborates with enablers to bring about a change.

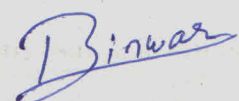

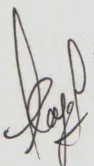

This MOU is designed with the following objectives:

- Social activities conducted under this MOU will support for inculcating moral values in students.
- It will help to develop student's social health/mental health/ skills.
- For creating equitable opportunities aimed at student for life- long learning through social causes.
- To prepare students for success in college and in societal development.

II. BACKGROUND

S. B. Jain Institute of Technology, Management and Research: S.B. Jain Institute of Technology, Management & Research (SBJITMR) is the initiative of Shri Shantilalji Badjate, who devoted his lifetime to the field of education. SBJITMR is an ISO 9001-2008 Certified Institute and is approved by AICTE (New Delhi) & DTE (Mumbai), is affiliated to Nagpur University (RTMNU) and is recognized by Government of Maharashtra. SBJITMR is accredited by National Assessment and Accreditation Council (NAAC) with 'A' Grade in 2017.

Department of Computer Science & Engineering: Department of Computer Science & Engineering, SBJITMR was established in 2008. The department has well planned and effective

teaching-learning practices. It provides students with a deep understanding of theories and emerging technologies. This knowledge and experience help students to develop cutting-edge solutions that address today's challenges. Department of Computer Science & Engineering is consistently giving excellent result in University examination since many years and encouraging students with good placement opportunities in Software companies.

Agresar Foundation: Founded in May 2017, Agresar Foundation brings to the fore, pertinent issues that plague the society and collaborates with enablers to bring about a change. The foundation is run by self-driven, socially accountable and morally balanced youth who wish to give their bit and more to the society.

III. [PARTY A] RESPONSIBILITIES UNDER THIS MOU

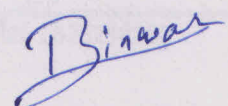

[Party A] shall undertake the following activities:

- Develop a plan and schedule the activities accordingly.
- Share all the details about the activities in which the Institute is to be involved to the organization.
- Support and guide the students of the Institute towards social work.
- Provide proper support to the students who are willing to give their efforts towards social well-being.
- Maintain records of all the work done by both the parties together.

IV. [PARTY B] RESPONSIBILITIES UNDER THIS MOU

[Party B] shall undertake the following activities:

- Develop a plan and schedule the activities accordingly.
- Share all the details about the activities in which the Organization is to be involved to the Institute.
- Support and guide the students of the Institute towards social work and if any student from the Institute is willing to join the Organization on a personal level then the Organization need to consider him/her.
- Review the plans and strategies of the Institute regarding the help and support to the society.
- Maintain records of all the work done by both the parties together.

I. PURPOSE & SCOPE

The purpose of this Memorandum of Understanding ("MOU") is to establish a relationship between the **Department of Computer Science & Engineering, SBJITMR** and the organization **Agresar Foundation**.

WHEREAS, the Organization's services or program described in this MOU will be provided at no cost to SBJITMR, the students, or the parents; and

BOTH PARTIES HEREBY enter into this MOU to enable the Organization and the Institute to provide said services/program on site(s) selected in Section III of the MOU.

Social activities are a part of the process through which students develop the skills, attitudes, and values necessary to acquire social and emotional competence. It is the statutory object to pertinent issues that plague the society and collaborates with enablers to bring about a change.

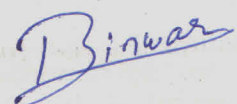

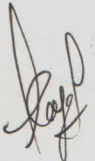

This MOU is designed with the following objectives:

- Social activities conducted under this MOU will support for inculcating moral values in students.
- It will help to develop student's social health/mental health/ skills.
- For creating equitable opportunities aimed at student for life- long learning through social causes.

The parties have entered into this MoU because they:

Recognize their mutual interest in exchange of knowledge and information between the parties through Curriculum development, Training programs, Workshops, Seminars, Research & Development Activities and Consultancy services.

Recognize the importance of Higher Education Institution's role in promoting industry collaboration with increased contribution to social development.

Recognize the importance of the Industry-Institute Partnership within its field of expertise.

This MoU will enable the parties to:

- *Share their domain of Expertise and Facilities,*
- *Set the ground for long term college-industry partnerships,*
- *Promote research collaboration between S.B.J.I.T.M.R. and Softtronix IT Solution, Nagpur*
- *Strengthen the innovative capacities of regional industries and advance industry-driven research and innovation,*
- *Provide institute access to industrial environments for applied and problem-based research activities.*

Objectives & Scope of this Institute -Industry Partnership are:

- *To provide a framework of cooperation and facilitate collaboration between the Parties, on a non-exclusive basis, in areas of common interest.*
- *Aid in curriculum development of Computer Science and Engineering Programme in general and contribute in course framing, design, development, revision or customization of Data Structure & Algorithm, Artificial Intelligence, Software Testing, Programming Languages, Full-Stack Development courses and Web Designing and Development courses in particular as per industry requirement.*

- *Organizing training programmes, guest lectures, and workshops on latest technological advancements, industry/field visits, internships/practice schools, placement assistance, mentor student projects and involvement of Industry Experts in assessment & evaluation process of the Institute.*
- *To promote and facilitate sponsored Research laboratory at the Institute through allocation of material/human resource for the development of modern technologies ultimately benefitting the parties and the students.*
- *To generate resources in the form of industry supported projects and exchange consultancy services through mutual agreement.*

MEMORANDUM OF UNDERSTANDING

This Memorandum of Understanding (here in after called as the 'MOU') is entered into on this date the (01st Feb, 2021 to 31st March 2031).

BETWEEN

IT-NetworkZ Infosystems Pvt Ltd. (IIPL), Nagpur, the First Party, and represented herein by its **Director, Mr. Elavarasan Varadharajan**, (here in after referred to as "**First Party**", company which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns).

AND

S. B. Jain Institute of Technology, Management & Research, Nagpur, the Second Party represented herein by its **Competent Authority: Dr. Sanjay Badjate, Principal, S. B. Jain Institute of Technology, Management & Research, Nagpur (Computer Science and Engineering)**. (Hereinafter referred as '**Second Party**', the institution which expression, unless excluded by or repugnant to the subject or context shall include its successors - in-office, administrators and assigns). (First Party and Second Party are hereinafter jointly referred to as '**Parties**' and individually as '**Party**')

WHEREAS:

- A) **IT-NetworkZ Infosystems Pvt Ltd., Nagpur**, the First Party is engaged in Skill Development, Education and R&D Services in the fields of application development, Software testing, IT infrastructure Management Services, and related fields
- B) Both Parties, being legal entities in themselves desire to sign this MOU for advancing their mutual interest.

- A) Second Party is a Higher Educational Institution named:
S. B. Jain Institute of Technology, Management & Research, Nagpur. (Computer Science and Engineering)
- B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.
- C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education and Research.
- D) Now therefore, in consideration of the mutual promises set forth in this MoU, the parties hereto agree as follows:

CLAUSE 1 CO-OPERATION: -

- 1.1 Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share the information related to the field that may be relevant to secure additional opportunities for one another.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party
- 1.3 The general terms of co-operation shall be governed by this MOU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MOU.

The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2: SCOPE OF THE MOU:-

- 2.1 The budding graduates from the institutions could play a key role in technological up-gradation, innovation and competitiveness of an industry. Both parties believe that close co-operation between the two would be of major benefit to the student community to enhance their skills and knowledge.
- 2.2 **Curriculum Design:** First Party will give valuable inputs to the Second Party in teaching / training methodology and suitably customize the curriculum so that the students fit into the industrial scenario meaningfully.
- 2.3 **Industrial Training & Visits:** Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the First Party to permit the Faculty and Students of the Second Party to visit its group institutions and also involve in Industrial Training Programs for the Second Party. The industrial training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The First Party will provide its Labs / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the Second Party.

- 2.4 **Project Development:** Both Parties have agreed to carry out the joint project development activities in the fields of **Software / Application, Testing and Quality Assurance, Design, Network and Communication.**
- 2.5 **Skill Development Programs:** First Party to train the students of Second Party on the emerging technologies in order to bridge the skill gap and make them industry ready.
- 2.6 **Guest Lectures:** First Party to extend the necessary support to deliver guest lecturers to the students of the Second Party on the technology trends and in-house requirements.
- 2.7 **Faculty Development Programs:** First Party to train the Faculties of Second Party for imparting industrial exposure/ training as per the industrial requirement considering the National Occupational Standards in concerned sector, if available.
- 2.8 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.
- 2.9 Financial part of any circumstances will be dealt separately.

CLAUSE 3 INTELLECTUAL PROPERTY

- 3.1 Nothing contained in this MOU shall, by express grant, implication, Estoppels or otherwise, create in either Party any right, title, interest, or license in or to the intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

CLAUSE 4 VALIDITY

- 4.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period **I IPL, Nagpur**, the First Party, as the case may be, will take effective steps for implementation of this MOU. Any act on the part of **Training Partner** or **I IPL, Nagpur**, the First Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MOU.
- 4.2 Both Parties may terminate this MOU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations.

CLAUSE 5 RELATIONSHIP BETWEEN THE PARTIES

- 5.1 It is expressly agreed that **First Party** and **Second Party** are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party.

Neither Party shall have, nor represent itself as having, any authority under the terms of this MOU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.

Any divergence or difference derived from the interpretation or application of the MOU shall be resolved by arbitration between the parties as per the Arbitration Act, 1996. The place of the arbitration shall be at District Head Quarters of the First Party. This undertaking is to be construed in accordance with Indian Law with exclusive jurisdiction in the Courts of **Name of City: Nagpur.**

The parties have entered into this MoU because they:

RECOGNIZE their mutual interest in exchange of knowledge and information between the parties through Training programs, Workshops, Seminars, Research & Development Activities and Consultancy services.

RECOGNIZE the importance of Higher Education Institution's role in promoting industry collaboration with increased contribution to social development.

And also **RECOGNIZE** the importance of the Industry-Institute Partnership within its field of expertise.

This MoU will enable the parties to:

- **SHARE** their domain of Expertise and Facilities,
- **SET** the ground for long term college-industry partnerships,
- **PROMOTE** research collaboration between S.B.J.I.T.M.R. and industry,
- **STRENGTHEN** the innovative capacities of regional industries and advance industry-driven research and innovation,
- **PROVIDE** college access to industrial environments for applied and problem-based research activities.

OBJECTIVES & SCOPE of this Institute -Institute Partnership is:

- To bring industry closer to the academic and vice-versa.
- To promote and facilitate **sponsored Research laboratory** at the Institute through allocation of material/human resource for the development of modern technologies ultimately benefitting the parties and the students.
- To generate resources in the form of **industry supported projects** and exchange **consultancy services** through mutual agreement.
- To conduct **Industrial Training** and **Industrial Visits** for the students and faculties.
- To encourage industry and relevant organizations for **placement and training** of students. Also to supply manpower to industries in the form of **internship**.
- Organizing **seminars, exhibitions and workshops**.
- Organizing **guest lecture** for latest technological advancements, evaluations of project work and workshops from industrial experts in the Institute.

WHEREAS:

- a) This Memorandum of Understanding (MOU) is entered into between INCUBEIN FOUNDATION, a distinguished institution dedicated to fostering innovation and entrepreneurship, and S. B. Jain Institute of Technology, Management and Research, Nagpur, an esteemed educational establishment committed to nurturing academic excellence. This MOU signifies the collaborative efforts of both entities to advance the realms of innovation, incubation, and entrepreneurial empowerment within the educational landscape of Nagpur.
- b) The primary purpose of this MOU is to establish a mutually beneficial partnership between INCUBEIN FOUNDATION and S. B. Jain Institute of Technology, Management and Research, Nagpur, with the overarching goal of promoting and nurturing a vibrant ecosystem of entrepreneurship, skill development, and employability. By leveraging each party's unique strengths, resources, and expertise, this partnership aims to cultivate a conducive environment that encourages students, faculty members, and aspiring entrepreneurs to embark on transformative journeys of ideation, innovation, and business creation.
- c) Through this collaboration, INCUBEIN FOUNDATION seeks to extend its network and influence to S. B. Jain Institute of Technology, Management and Research, Nagpur, and its affiliates, thereby enabling the dissemination of invaluable knowledge, guidance, and support related to entrepreneurship and innovation. The alliance aspires to empower students and faculty members by equipping them with the tools, mentorship, and opportunities necessary to translate their innovative ideas into impactful ventures that contribute to societal and economic growth.
- d) Furthermore, this MOU outlines the responsibilities, commitments, and mechanisms for cooperation between INCUBEIN FOUNDATION and S. B. Jain Institute of Technology, Management and Research, Nagpur, aiming to provide a structured framework for joint initiatives, knowledge exchange, capacity building, and the establishment of an incubation sub-center within the campus. The ultimate aim is to create a thriving ecosystem where innovation is nurtured, entrepreneurial aspirations are realized, and the intellectual potential of students and faculty members is harnessed to shape a brighter future for the community and beyond.

Role and Responsibilities

1. **Knowledge Sharing and Capacity Building:** INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall collaboratively share available facilities, which may include office space, laboratories, equipment, and resources, for the benefit of startups and incubatees. The sharing arrangement shall be determined through mutual agreement, considering the practicality and sustainability of costs.
2. **Establishment of Incubation Sub-Center:** INCUBEIN FOUNDATION shall collaborate with Sub-Center to establish and operate an Incubation Sub-Center within the college premises. This Sub-Center shall serve as a hub for entrepreneurial activities, offering minimum dedicated space of 1000Sq ft in initial phase along with incubation facilities, mentorship, networking opportunities, and resources to incubatees. The sub center will also display banner on the Incubein Sub-Center provided by Incubein Foundation.

Nagpur.

3. **Empowerment of Sub-Center Leadership:** INCUBEIN FOUNDATION shall collaborate closely with the designated In-Charge of INCUBEIN SUB-CENTER and their dedicated team (consist of Teacher, Students and Alumni and representative from Incubein Foundation) to ensure effective management, coordination, and successful implementation of all incubation-related endeavors. Notably, the Sub-Center will add representative from INCUBEIN FOUNDATION to join their leadership team, contributing valuable insights and mentorship. This collaborative leadership approach will be prominently displayed on the Sub-Center's official website, showcasing the shared commitment to fostering innovation, entrepreneurship, and impactful ventures within the academic community.
4. **Provision of Research and Development Space:** INCUBEIN FOUNDATION shall allocate dedicated space within its premises for startups affiliated with INCUBEIN SUB-CENTER conduct research, development, and innovation activities. The allocation of space shall be contingent upon the feasibility and strategic alignment of the projects.
5. **Intellectual Property and Product Commercialization:** The final market-ready product developed through collaboration between INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall be jointly owned and managed by both parties. The rights to patents, copyrights, and other intellectual property arising from such collaboration shall be equitably distributed based on contributions. The specifics of intellectual property ownership and commercialization shall be outlined in a separate Intellectual Property Agreement to be mutually agreed upon.
6. **Technical Assistance and Internship Programs:** INCUBEIN FOUNDATION shall extend comprehensive technical support, mentorship, and advisory services to startups incubated under INCUBEIN SUB-CENTER. Additionally, INCUBEIN FOUNDATION may offer opportunities for interns from its incubation center to engage in projects hosted by INCUBEIN SUB-CENTER, providing valuable experiential learning to students and contributing to their skill development.
7. **Scheduled Training and Capacity Enhancement:** INCUBEIN FOUNDATION shall conduct periodic refresher training sessions, workshops, and knowledge-sharing events at INCUBEIN SUB-CENTER. The frequency and content of these sessions shall be determined through mutual consultation, with the aim of addressing evolving entrepreneurial trends, technologies, and market dynamics to ensure the continual growth and relevance of startups and incubatees.
8. **Information Exchange and Collaboration:** INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall establish a transparent mechanism for sharing information, including updates on new Memorandums of Understanding (MOUs), partnership agreements, initiatives, and accomplishments. Sub-Center will also provide the details of Facilities, Students, Alumni and industry partners to INCUBEIN. This exchange of information shall foster synergy, facilitate cross-pollination of ideas, and strengthen the collaborative ecosystem.
9. **Mentorship Pool and Skill-Specific Guidance:** INCUBEIN FOUNDATION shall maintain a diverse pool of mentors with expertise in various domains of entrepreneurship, technology, and business. These mentors shall be available to offer guidance, advisory support, and subject-specific mentoring to startups and incubatees at INCUBEIN SUB-CENTER. The allocation of mentors shall be based on the specific needs and interests of startups.
10. **Technology and Knowledge Exchange:** A core objective of this agreement is to facilitate the

Management & Research,
Nagpur.

exchange of technology, knowledge, and best practices between INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER. Both parties shall actively collaborate to identify opportunities for sharing technological advancements, innovative solutions, and research outcomes that can contribute to the growth and competitiveness of startups and incubatees.

11. **Extension of Collaborative Endeavors:** The parties acknowledge that the success of this collaboration may lead to further agreements or extensions based on mutual understanding and strategic alignment. INCUBEIN FOUNDATION shall remain committed to offering ongoing assistance, expertise, and support to INCUBEIN SUB-CENTER ensuring its sustained growth and impact within the academic and entrepreneurial community.
12. **Faculty Engagement and Expertise Sharing:** INCUBEIN SUB-CENTER shall provide comprehensive details of its faculty members, including their areas of expertise, research interests, and industry experience, to INCUBEIN FOUNDATION. This information shall facilitate targeted mentorship, collaboration, and resource allocation to align with the expertise of faculty members and enhance the overall value proposition for startups.
13. **Student Outreach and Engagement:** INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall collaborate to disseminate information, updates, and opportunities related to entrepreneurship, innovation, and incubation to the student body. Regular communication channels shall be established to ensure that students are informed about workshops, events, internship opportunities, and initiatives, fostering active student engagement and participation. Sub-Center will provide each year students details to Incubein Foundation so that direct communication with students is possible. The sub-Centers will make sure to add the details of incubein Foundation in all the promotional activities.
14. **Collaborative Problem-Solving:** INCUBEIN SUB-CENTER shall maintain open lines of communication with INCUBEIN FOUNDATION, regularly sharing updates on the activities, progress, challenges, and requirements of its incubation team. This collaborative approach shall enable INCUBEIN FOUNDATION to provide timely solutions, support, and guidance to address challenges and ensure the effective functioning of the Incubation Sub-Center.
15. **Program Planning and Execution:** INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall jointly conceptualize, plan, and execute a diverse range of programs, including seminars, workshops, hackathons, and events. The responsibility for promotion and seamless execution of these initiatives shall be shared between both parties, aiming to engage the entrepreneurial community and foster innovation-driven learning experiences.
16. **Joint Incubation and Idea Catalysis:** INCUBEIN SUB-CENTER shall have the opportunity to collaborate with INCUBEIN FOUNDATION to elevate promising ideas and prototypes to the next level of development. Registered Innovative concepts within the Sub-Center shall sign co-incubation agreement with INCUBEIN FOUNDATION, which will enhance the potential for successful entrepreneurship.
17. **Co-Incubation and Brand Usage:** In cases of co-incubation, INCUBEIN SUB-CENTER shall ensure that incubatees sign a separate agreement with INCUBEIN FOUNDATION outlining the terms and conditions of co-incubation. Furthermore, prior written permission from INCUBEIN FOUNDATION shall be sought before using the name or affiliation of INCUBEIN FOUNDATION or RTM Nagpur University in any external communications, marketing materials, or business endeavors.

18. **Progress Reporting and Agreement Continuation:** INCUBEIN SUB-CENTER shall provide quarterly and annual reports to INCUBEIN FOUNDATION detailing the progress, achievements, challenges, and outcomes of the Incubation Sub-Center. The timely submission of these reports shall be a vital component of the agreement's continuity, ensuring transparency, accountability, and informed decision-making. Failure to submit reports may trigger a review of the agreement and lead to potential termination.
19. **Dispute Resolution Mechanism:** In the event of disputes arising from this agreement or its interpretation, INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall engage in good-faith mutual discussions to reach an amicable resolution. Should these discussions prove unsuccessful, either party or both parties may refer the matter to the Board of Directors of INCUBEIN FOUNDATION, whose decision shall be binding. The resolution process shall be governed by the principles of fairness, impartiality, and promptness.
20. **Arbitration Clause:** In cases where the resolution process outlined in the previous point is exhausted without achieving a resolution, the aggrieved party or parties shall have the option to initiate arbitration. The arbitration process shall be in accordance with the provisions of the Arbitration and Conciliation Act, 1996. The arbitrator shall be appointed by the Board of Directors of INCUBEIN FOUNDATION, considering factors such as expertise and impartiality. The arbitration proceedings shall be conducted in English and held in Nagpur, with the costs shared equally between the parties.
21. **Conduct and Integrity:** INCUBEIN SUB-CENTER shall conduct its activities and initiatives in a manner consistent with the principles, values, and interests of INCUBEIN FOUNDATION and RTM Nagpur University (RTMNU). The parties shall strive to maintain mutual respect, integrity, and professionalism throughout the collaboration. In cases of disagreements over the interpretation or conduct of activities, the decision of INCUBEIN FOUNDATION shall be deemed final and binding.
22. **Legal Expenses and Documentation:** INCUBEIN SUB-CENTER shall bear the legal expenses associated with the drafting and preparation of agreements between the parties. This shall include costs related to legal documentation, formalization of partnership arrangements, and any required agreements that govern the collaborative initiatives. The equitable distribution of legal expenses shall be mutually agreed upon during the process.

TERM AND TERMINATION

- a) This Agreement shall be effective from the date of signing and shall remain in force for a period of three years ("Initial Term").
- b) Sub-Centers shall pay a processing fee of Rs. 3000/- (Rs. Three thousand only for three years) through a Demand Draft (DD) or Cheque payable to INCUBEIN FOUNDATION upon establishing the Sub-Center.
- c) This agreement may be extended beyond the Initial Term upon mutual consent in writing, subject to a review by the INCUBEIN team based on the growth and achievements of the Sub-Center.
- d) This agreement shall continue in effect as stated above. Either party may terminate this agreement by providing one month's written notice, without requirement of assigning reasons.

Management & Research,

However, such termination shall not absolve the SUB-CENTERS and its promoters of their obligations incurred under this agreement. Furthermore, INCUBEIN reserves the right to terminate the agreement with immediate effect if it loses confidence in the SUB-CENTERS, discovers acts of omission or commission involving moral turpitude, or if such actions are detrimental to the interests of INCUBEIN. Termination may also occur if the SUB-CENTER is unable to fulfill its liabilities, faces insolvency, or if circumstances deemed undesirable by INCUBEIN/RTMNU arise.

- e) In the event of termination, the parties shall allow for the completion of ongoing programs prior to the agreement's conclusion. Additionally, this agreement may be terminated due to outcomes of legal proceedings, acts of state, or other exigencies beyond the parties' control. Such termination shall be duly communicated and explicitly stated as an amendment to this agreement.

IN WITNESS WHEREOF, the Parties have caused this agreement to be executed as of the _____ day of _____ 2023.

WHEREAS:

- a) This Memorandum of Understanding (MOU) is entered into between INCUBEIN FOUNDATION, a distinguished institution dedicated to fostering innovation and entrepreneurship, and S. B. Jain Institute of Technology, Management and Research, Nagpur, an esteemed educational establishment committed to nurturing academic excellence. This MOU signifies the collaborative efforts of both entities to advance the realms of innovation, incubation, and entrepreneurial empowerment within the educational landscape of Nagpur.
- b) The primary purpose of this MOU is to establish a mutually beneficial partnership between INCUBEIN FOUNDATION and S. B. Jain Institute of Technology, Management and Research, Nagpur, with the overarching goal of promoting and nurturing a vibrant ecosystem of entrepreneurship, skill development, and employability. By leveraging each party's unique strengths, resources, and expertise, this partnership aims to cultivate a conducive environment that encourages students, faculty members, and aspiring entrepreneurs to embark on transformative journeys of ideation, innovation, and business creation.
- c) Through this collaboration, INCUBEIN FOUNDATION seeks to extend its network and influence to S. B. Jain Institute of Technology, Management and Research, Nagpur, and its affiliates, thereby enabling the dissemination of invaluable knowledge, guidance, and support related to entrepreneurship and innovation. The alliance aspires to empower students and faculty members by equipping them with the tools, mentorship, and opportunities necessary to translate their innovative ideas into impactful ventures that contribute to societal and economic growth.
- d) Furthermore, this MOU outlines the responsibilities, commitments, and mechanisms for cooperation between INCUBEIN FOUNDATION and S. B. Jain Institute of Technology, Management and Research, Nagpur, aiming to provide a structured framework for joint initiatives, knowledge exchange, capacity building, and the establishment of an incubation sub-center within the campus. The ultimate aim is to create a thriving ecosystem where innovation is nurtured, entrepreneurial aspirations are realized, and the intellectual potential of students and faculty members is harnessed to shape a brighter future for the community and beyond.

Role and Responsibilities

1. **Knowledge Sharing and Capacity Building:** INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall collaboratively share available facilities, which may include office space, laboratories, equipment, and resources, for the benefit of startups and incubatees. The sharing arrangement shall be determined through mutual agreement, considering the practicality and sustainability of costs.
2. **Establishment of Incubation Sub-Center:** INCUBEIN FOUNDATION shall collaborate with Sub-Center to establish and operate an Incubation Sub-Center within the college premises. This Sub-Center shall serve as a hub for entrepreneurial activities, offering minimum dedicated space of 1000Sq ft in initial phase along with incubation facilities, mentorship, networking opportunities, and resources to incubatees. The sub center will also display banner on the Incubein Sub-Center provided by Incubein Foundation.

Incubein Foundation

For Incubein Foundation

Nagpur.

3. **Empowerment of Sub-Center Leadership:** INCUBEIN FOUNDATION shall collaborate closely with the designated In-Charge of INCUBEIN SUB-CENTER and their dedicated team (consist of Teacher, Students and Alumni and representative from Incubein Foundation) to ensure effective management, coordination, and successful implementation of all incubation-related endeavors. Notably, the Sub-Center will add representative from INCUBEIN FOUNDATION to join their leadership team, contributing valuable insights and mentorship. This collaborative leadership approach will be prominently displayed on the Sub-Center's official website, showcasing the shared commitment to fostering innovation, entrepreneurship, and impactful ventures within the academic community.
4. **Provision of Research and Development Space:** INCUBEIN FOUNDATION shall allocate dedicated space within its premises for startups affiliated with INCUBEIN SUB-CENTER conduct research, development, and innovation activities. The allocation of space shall be contingent upon the feasibility and strategic alignment of the projects.
5. **Intellectual Property and Product Commercialization:** The final market-ready product developed through collaboration between INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall be jointly owned and managed by both parties. The rights to patents, copyrights, and other intellectual property arising from such collaboration shall be equitably distributed based on contributions. The specifics of intellectual property ownership and commercialization shall be outlined in a separate Intellectual Property Agreement to be mutually agreed upon.
6. **Technical Assistance and Internship Programs:** INCUBEIN FOUNDATION shall extend comprehensive technical support, mentorship, and advisory services to startups incubated under INCUBEIN SUB-CENTER. Additionally, INCUBEIN FOUNDATION may offer opportunities for interns from its incubation center to engage in projects hosted by INCUBEIN SUB-CENTER, providing valuable experiential learning to students and contributing to their skill development.
7. **Scheduled Training and Capacity Enhancement:** INCUBEIN FOUNDATION shall conduct periodic refresher training sessions, workshops, and knowledge-sharing events at INCUBEIN SUB-CENTER. The frequency and content of these sessions shall be determined through mutual consultation, with the aim of addressing evolving entrepreneurial trends, technologies, and market dynamics to ensure the continual growth and relevance of startups and incubatees.
8. **Information Exchange and Collaboration:** INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall establish a transparent mechanism for sharing information, including updates on new Memorandums of Understanding (MOUs), partnership agreements, initiatives, and accomplishments. Sub-Center will also provide the details of Facilities, Students, Alumni and industry partners to INCUBEIN. This exchange of information shall foster synergy, facilitate cross-pollination of ideas, and strengthen the collaborative ecosystem.
9. **Mentorship Pool and Skill-Specific Guidance:** INCUBEIN FOUNDATION shall maintain a diverse pool of mentors with expertise in various domains of entrepreneurship, technology, and business. These mentors shall be available to offer guidance, advisory support, and subject-specific mentoring to startups and incubatees at INCUBEIN SUB-CENTER. The allocation of mentors shall be based on the specific needs and interests of startups.
10. **Technology and Knowledge Exchange:** A core objective of this agreement is to facilitate the

Management & Research,
Nagpur.

exchange of technology, knowledge, and best practices between INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER. Both parties shall actively collaborate to identify opportunities for sharing technological advancements, innovative solutions, and research outcomes that can contribute to the growth and competitiveness of startups and incubatees.

11. **Extension of Collaborative Endeavors:** The parties acknowledge that the success of this collaboration may lead to further agreements or extensions based on mutual understanding and strategic alignment. INCUBEIN FOUNDATION shall remain committed to offering ongoing assistance, expertise, and support to INCUBEIN SUB-CENTER ensuring its sustained growth and impact within the academic and entrepreneurial community.
12. **Faculty Engagement and Expertise Sharing:** INCUBEIN SUB-CENTER shall provide comprehensive details of its faculty members, including their areas of expertise, research interests, and industry experience, to INCUBEIN FOUNDATION. This information shall facilitate targeted mentorship, collaboration, and resource allocation to align with the expertise of faculty members and enhance the overall value proposition for startups.
13. **Student Outreach and Engagement:** INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall collaborate to disseminate information, updates, and opportunities related to entrepreneurship, innovation, and incubation to the student body. Regular communication channels shall be established to ensure that students are informed about workshops, events, internship opportunities, and initiatives, fostering active student engagement and participation. Sub-Center will provide each year students details to Incubein Foundation so that direct communication with students is possible. The sub-Centers will make sure to add the details of incubein Foundation in all the promotional activities.
14. **Collaborative Problem-Solving:** INCUBEIN SUB-CENTER shall maintain open lines of communication with INCUBEIN FOUNDATION, regularly sharing updates on the activities, progress, challenges, and requirements of its incubation team. This collaborative approach shall enable INCUBEIN FOUNDATION to provide timely solutions, support, and guidance to address challenges and ensure the effective functioning of the Incubation Sub-Center.
15. **Program Planning and Execution:** INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall jointly conceptualize, plan, and execute a diverse range of programs, including seminars, workshops, hackathons, and events. The responsibility for promotion and seamless execution of these initiatives shall be shared between both parties, aiming to engage the entrepreneurial community and foster innovation-driven learning experiences.
16. **Joint Incubation and Idea Catalysis:** INCUBEIN SUB-CENTER shall have the opportunity to collaborate with INCUBEIN FOUNDATION to elevate promising ideas and prototypes to the next level of development. Registered Innovative concepts within the Sub-Center shall sign co-incubation agreement with INCUBEIN FOUNDATION, which will enhance the potential for successful entrepreneurship.
17. **Co-Incubation and Brand Usage:** In cases of co-incubation, INCUBEIN SUB-CENTER shall ensure that incubatees sign a separate agreement with INCUBEIN FOUNDATION outlining the terms and conditions of co-incubation. Furthermore, prior written permission from INCUBEIN FOUNDATION shall be sought before using the name or affiliation of INCUBEIN FOUNDATION or RTM Nagpur University in any external communications, marketing materials, or business endeavors.

18. **Progress Reporting and Agreement Continuation:** INCUBEIN SUB-CENTER shall provide quarterly and annual reports to INCUBEIN FOUNDATION detailing the progress, achievements, challenges, and outcomes of the Incubation Sub-Center. The timely submission of these reports shall be a vital component of the agreement's continuity, ensuring transparency, accountability, and informed decision-making. Failure to submit reports may trigger a review of the agreement and lead to potential termination.
19. **Dispute Resolution Mechanism:** In the event of disputes arising from this agreement or its interpretation, INCUBEIN FOUNDATION and INCUBEIN SUB-CENTER shall engage in good-faith mutual discussions to reach an amicable resolution. Should these discussions prove unsuccessful, either party or both parties may refer the matter to the Board of Directors of INCUBEIN FOUNDATION, whose decision shall be binding. The resolution process shall be governed by the principles of fairness, impartiality, and promptness.
20. **Arbitration Clause:** In cases where the resolution process outlined in the previous point is exhausted without achieving a resolution, the aggrieved party or parties shall have the option to initiate arbitration. The arbitration process shall be in accordance with the provisions of the Arbitration and Conciliation Act, 1996. The arbitrator shall be appointed by the Board of Directors of INCUBEIN FOUNDATION, considering factors such as expertise and impartiality. The arbitration proceedings shall be conducted in English and held in Nagpur, with the costs shared equally between the parties.
21. **Conduct and Integrity:** INCUBEIN SUB-CENTER shall conduct its activities and initiatives in a manner consistent with the principles, values, and interests of INCUBEIN FOUNDATION and RTM Nagpur University (RTMNU). The parties shall strive to maintain mutual respect, integrity, and professionalism throughout the collaboration. In cases of disagreements over the interpretation or conduct of activities, the decision of INCUBEIN FOUNDATION shall be deemed final and binding.
22. **Legal Expenses and Documentation:** INCUBEIN SUB-CENTER shall bear the legal expenses associated with the drafting and preparation of agreements between the parties. This shall include costs related to legal documentation, formalization of partnership arrangements, and any required agreements that govern the collaborative initiatives. The equitable distribution of legal expenses shall be mutually agreed upon during the process.

TERM AND TERMINATION

- a) This Agreement shall be effective from the date of signing and shall remain in force for a period of three years ("Initial Term").
- b) Sub-Centers shall pay a processing fee of Rs. 3000/- (Rs. Three thousand only for three years) through a Demand Draft (DD) or Cheque payable to INCUBEIN FOUNDATION upon establishing the Sub-Center.
- c) This agreement may be extended beyond the Initial Term upon mutual consent in writing, subject to a review by the INCUBEIN team based on the growth and achievements of the Sub-Center.
- d) This agreement shall continue in effect as stated above. Either party may terminate this agreement by providing one month's written notice, without requirement of assigning reasons.

Incubein Foundation

Sub-Center Institute SBJITMR, Nagpur

Principal

S. B. Jain Institute of Technology
Management & Research,

However, such termination shall not absolve the SUB-CENTERS and its promoters of their obligations incurred under this agreement. Furthermore, INCUBEIN reserves the right to terminate the agreement with immediate effect if it loses confidence in the SUB-CENTERS, discovers acts of omission or commission involving moral turpitude, or if such actions are detrimental to the interests of INCUBEIN. Termination may also occur if the SUB-CENTER is unable to fulfill its liabilities, faces insolvency, or if circumstances deemed undesirable by INCUBEIN/RTMNU arise.

- e) In the event of termination, the parties shall allow for the completion of ongoing programs prior to the agreement's conclusion. Additionally, this agreement may be terminated due to outcomes of legal proceedings, acts of state, or other exigencies beyond the parties' control. Such termination shall be duly communicated and explicitly stated as an amendment to this agreement.

IN WITNESS WHEREOF, the Parties have caused this agreement to be executed as of the _____ day of _____ 2023.

MEMORANDUM OF UNDERSTANDING

The MOU is between G2G INNOVATION LLP & VIRTUAL SIMUTECH PVT LTD, IT Space No. 101, First Floor, AG Trade Centre, NDA Pashan Road, Bavdhan Pune and S. B. Jain Institute of Technology, Management and Research, Near Jain International School, Yerla Village, Kalmeshwar Road, Nagpur, Maharashtra 441501

The above stated collaboration of 5 years from Academic years 2023-24, goal of grooming the students of the college to match global standards in terms of technological research, innovation, with the objectives of Industrial visits, practical knowledge transfer, seminars, Webinar, workshop, also Entrepreneurship and job opportunities. Together we aim to motivate and groom our students to drive our mission of enriching India through innovation.

OBJECTIVES OF THE MOU:

1. Bridge the gap between industry and academics by training students in industrial approach and technologies.
2. Train and motivate students to learn to ideate and implement their own ideas that solve social and industrial problems.
3. Bringing holistic thinking in students. (Not just “how to make”, but “what to make, why is it better than existing alternatives”).
4. Increase employability by developing technical, attitudinal and soft skills in the students.
5. Recruiting best technical students from the college
6. Encourage cross-functional learning by facilitating multi-disciplinary projects.
7. Establish connect with every student in the college and have a constant conversation with them to motivate them to become best engineers possible.
8. Providing a learning platform to students for skill enhancement.

MEMORANDUM OF UNDERSTANDING

Between

Visvesvaraya National Institute of Technology (VNIT), Nagpur, India

And

S. B. Jain Institute of Technology, Management and Research (SBJITMR), Nagpur, India

The Agreement is executed on this 7th Day of October 2022 (Effective Date)

by

V. R. Jamdar Siemens Center of Excellence hereinafter called the “VRJSCOE” established and operational at Visvesvaraya National Institute of Technology Nagpur, a premier technical Institution of National Importance incorporated under National Institute of Technology Act. 2007 having its permanent campus and office at Nagpur (hereafter referred to as 'VNIT Nagpur' which expression shall include its successors and assigns) of the first part;

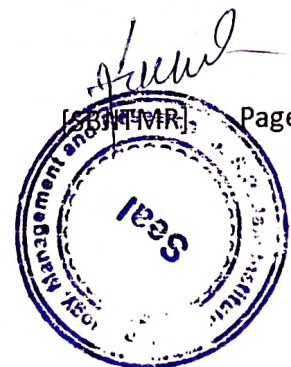

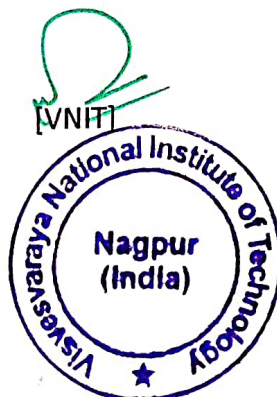

And

S. B. Jain Institute of Technology, Management and Research (SBJITMR), Nagpur, India. hereinafter called “SBJITMR”, an Autonomous Institute approved by AICTE New Delhi, confirmed by UGC New Delhi, and Affiliated to RTM Nagpur University, Nagpur (which expression shall unless repugnant to the context or meaning thereof be deemed to mean and include its successors and assigns) of the second part;

WHEREAS:

1. The Visvesvaraya National Institute of Technology Nagpur, an Institution of National Importance (formerly known as Visvesvaraya Regional Engineering College) was started as a joint and co-operative venture of the Government of India and the Government of Maharashtra in 1960 with a view to catering to the needs of man-power in technology for the country. The college has been conferred with autonomy in financial and administrative matters to achieve rapid development. Because of this rich experience, this institution was granted Deemed University Status with the approval of the UGC/AICTE and Govt. of India in the year 2003 and renamed as Visvesvaraya National Institute of Technology, thereafter.

[VRJSCOE]

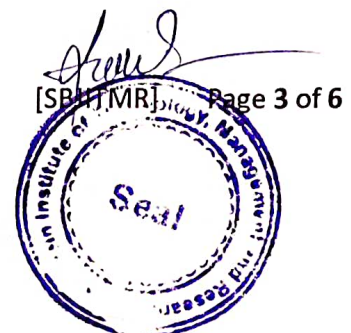

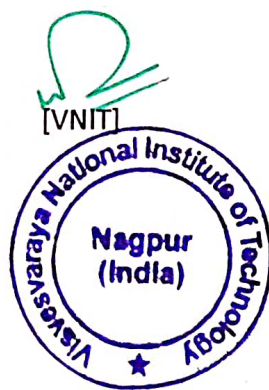

2. VRJSCOE established in 2020 at VNIT Nagpur premises with investment from Siemens and VNIT Nagpur as per the Guidelines for Center of Excellence issued by Ministry of Education, Government of India. The VRJSCOE operates with a primary objective of creating a robust technical education eco-system through its experience in industrial products and services This VRJSCOE is intended to bridge gap between industry requirements and technical education, and provide solution that makes technical institutes be more aligned with industry needs and make engineering graduate students, industry compliant/ on par with industry expectations.
3. VRJSCOE has eleven Laboratories namely Design and Validation, Advanced Manufacturing. Test and Optimization, Automation, Smart Factory, Process Instrumentation, Mechatronics, CNC Machines, Robotics, IoT and Reverse Engineering through which different services are offered to Academic Institutions and Industries.
4. **Vision-VRJSCOE**
To be a globally recognized and leading center for skill development, training and Translational research for empowering indigenous manufacturing
5. **Mission - VRJSCOE**
 - I. To empower the Indian youth with industry relevant skills in manufacturing technologies by education and training securing rewarding employment opportunities
 - II. To develop capabilities and building capacity for indigenous manufacturing in collaboration with industry, academia, and government agencies
 - III. To provide access to state-of the art machinery and software tools for innovative design and developing new manufacturing technologies

6. **Details of MoU with SBJITMR, Nagpur**

The VRJ Siemens CoE and VNIT Nagpur, India enters into the following Agreement to offer Skill Development, Training and other related services to SBJITMR, Nagpur.

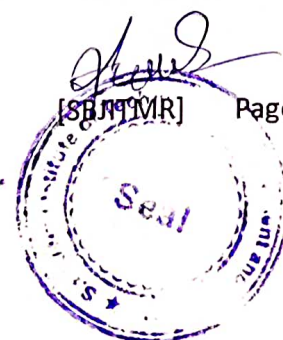

1. VRJ Siemens CoE offers various skill development courses across different disciplines. SBJITMR, Nagpur committed/commits to send 100 number of students/faculty every year for such courses. The timing/duration of the courses shall be arrived on mutually agreed dates. The **VRJSCOE** offers 30% discount on the regular advertised course fee depending on the demand. In case the number of students/ faculties are less than the committed numbers on completion of a year, this may lead to reconsideration of discounts offered to the associated institute which is subjected to the review. In case the number of students/faculties are between 101-200 then **VRJSCOE** offers 35% discount on the regular advertised course fee depending on the demand.

[VRJSCOE]

2. A student/faculty who has completed any CoE offered courses will be given 10 Hours of free Lab usage time after the course within one-year duration. The timing will be decided by the centre based on the availability.
3. VRJ Siemens CoE offers the resources for student projects on chargeable basis. It is the responsibility of the faculty mentor from SBJITMR, Nagpur to monitor the progress. The VRJ Siemens CoE shall not offer any certification for such usage but shall provide an attendance certificate. The **VRJSCOE** offers 25% discount on the facility usage charges.
4. VRJ Siemens CoE offers Internships to students. The CoE can accommodate a reasonable number of students depending on the demand.
5. The faculty of SBJITMR, Nagpur shall submit funding/consultancy proposals quoting the Siemens CoE resources. In such cases, a VNIT Nagpur faculty will be the Co-PI and budgeting need to be arrived through mutual discussion before submission.
6. VRJ Siemens CoE periodically conducts workshops/symposiums/conferences etc. For such events, any participant from SBJITMR, Nagpur get 25% discount on the Registration fee.
7. SBJITMR, Nagpur, shall organize events such as workshops/symposiums/conferences jointly with VRJSCOE in such cases, the financial implications need to be discussed and to be approved by competent authorities before the event.
8. VRJSCOE will not be responsible for safety of the students outside the VNIT Nagpur premises. SBJITMR, Nagpur should instruct their students clearly on the safety and precautionary measures.
9. VRJSCOE will not be responsible for loss/theft or damage of any of the student's, belongings. SBJITMR, Nagpur should instruct their students clearly on the precautionary measures.
10. The implementation of specific activities will be separately agreed between both institutions on need basis.
11. Other terms and conditions which are not provided in this Agreement will be deliberated and agreed upon by the institutions hereto.
12. This Agreement is established in English language and is valid from the date of signing by the representatives of the institutions. The institutions hereto have executed this Agreement in duplicate, and each institution shall keep one copy of the originals.

[VRJSCOE]

13. This agreement shall be governed by and construed in accordance with the laws of India. Any dispute arising under these terms and conditions shall be subjected to the jurisdiction of the courts of Nagpur.

14. The two parties will consult each other and attempt to resolve disputes or misunderstandings that arise in the administration of this agreement informally.

15. This agreement shall be valid for a period of three years from the date both signatures are affixed to this document or before if terminated by mutual agreement of both. This agreement may be terminated by either party after one hundred and twenty (120) days following receipt of a written notification of intent to terminate by the other party.

16. If a proposal to renew this agreement is not presented before the end validity period, it will be terminated automatically at the end of three years.

17. Any deviation from the clauses mentioned in the agreement without any written consent of The Head SCOE, the institute has the right to terminate the agreement without any prior notice.

18. This is a non-exclusive MoU.

Appendix:

Visvesvaraya National Institute of Technology (VNIT), Nagpur

Visvesvaraya National Institute of Technology (VNIT), Nagpur, is an Institute of National importance established by an Act of Parliament, National Institute of Technology (Amendment) Act 2012 (No. 28 of 2012) in continuation of Principal Act (29 of 2007). The Institute offers 9 UG & 17 PG courses apart from Ph.D. programs in the following areas: Architecture, Civil, Computer Science, Chemical, Electrical, Electronics, Mechanical, Metallurgical and Materials, Mining Engineering. Since its inception, this institute has maintained a tradition of academic excellence and training of students for the National Service. The Institute has taken quantum jumps and is one of the leading institutes offering world class technical education. The Institute has signed MoU's with various National and International Universities, Laboratories and Industries under academic and research interaction and collaboration for mutual benefit.

S. B. Jain Institute of Technology, Management and Research (SBJITMR), Nagpur

S.B. Jain Institute of Technology, Management & Research (SBJITMR) is a flagship institution of Sir Shantilal Badjate Charitable Trust, Nagpur. The Institute is a self-financed, Hindi linguistic minority Institute affiliated to Rashtrasant Tukadoji Maharaj Nagpur University, Nagpur; approved by All India Council for Technical Education, New Delhi and Directorate of Technical Education, Maharashtra State. It is accredited with NAAC "A" Grade. The Institute has been conferred with Autonomous Status by the University Grants Commission (UGC), New Delhi and Rashtrasant Tukadoji Maharaj Nagpur University (RTMNU) from Academic Session 2020-21 onwards. The Institute offers 6 UG & 2 PG courses.

CADCAMGURU Solutions Pvt. Ltd., Nagpur

S. B. Jain Institute of Technology, M & R, Nagpur

MEMORANDUM OF UNDERSTANDING

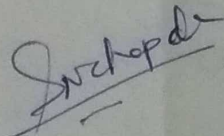

CADCAMGURU Solutions Pvt. Ltd. (hereafter referred as CADCAMGURU, Nagpur), a Training Institute in Design Technologies, CAD, CAM & CAE & S. B. Jain Institute of Technology, Management & Research, Nagpur (hereafter referred as SBJITMR, Nagpur) a reputed Engineering College affiliated to R. T. M. N. University, Nagpur decide to join hands to work as business associates in the field of Training Programs in Engineering Design, CAD.

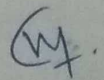

❖ PRELUDE :

CADCAMGURU Solutions Pvt. Ltd. is successfully conducting various technical training programs for the benefit of the students and the industries from the last Eighteen years. CADCAMGURU is a registered trade and service mark and brand name of CADCAMGURU Solutions Pvt. Ltd.. CADCAMGURU intends to conduct the training program along with various leading Engineering Colleges in Maharashtra. CADCAMGURU is well known for its industry oriented value added training programs in engineering design field.

SBJITMR, Nagpur is a well reputed engineering institute in Maharashtra, catering the need of technocrats, who are working in industries, research institutions, and academic institutions all over India.

With a view of providing a platform to the students, CADCAMGURU Solutions Pvt. Ltd. Nagpur and SBJITMR, Nagpur have decided to empower a joint venture, on very attractive terms which will,

 CADCAMGURU Solutions Pvt. Ltd., 1st Floor, H. No. 10, Mate Square, South Ambazari Road, Beside Reliance Fresh, Nagpur - 440022.----- www.cadcamguru.com-----
& S. B. Jain Institute of Technology, Management & Research, Nagpur

CADCAMGURU Solutions Pvt. Ltd., Nagpur

S. B. Jain Institute of Technology, M & R, Nagpur

1. Do value addition to the knowledge of the students by conducting various training Workshops.
2. Make them more confident by providing additional training.
3. Train the students to make, them ready for the industry.

As acceptance of above program, CADCAMGURU Solutions Pvt. Ltd. Nagpur & SBJITMR, Nagpur will sign this MOU, the terms of which are as below.

- This MOU will be valid for the academic session of 2017 – 18 from the date of signing.
- For Long Term Course, Students will join 6 months CADCAMGURU Certified CAD Engineer Course, CADCAMGURU will give 100% Placement assistance* (as per CADCAMGURU Policy-attached with this MOU) after successful completion of course.
- CADCAMGURU will provide unlimited interviews till first selection, as per CADCAMGURU Placement Policy.
- For Long Term course students currently appearing in their final year B.E. / Diploma MECHANICAL course will be eligible.
- The course fee for CADCAMGURU Certified CAD Engineer course is Rs. 92,000/- per student. As per this MOU a special concession is being given to the students of SBJITMR, Nagpur.

MEMORANDUM OF UNDERSTANDING (MoU)

BETWEEN

S.B. Jain Institute of Technology, Management & Research
(An Autonomous Institute Affiliated to R.T.M. Nagpur University)
Katol Road, Nagpur, Maharashtra - 441501

AND

UNITECH RECLAMATION SERVICES
(RH-119, Vyankatesh Nagar, New Nandanvan, Nagpur-440009)

This Memorandum of Understanding (hereinafter called as the 'MoU') is entered into on this the 26th day of November - 2021 by and between, **S.B. Jain Institute of Technology, Management & Research, Nagpur**. The First Party represented herein by its Head of Department, Mr. Amit Tajne and **Unitech Reclamation Services**, the Second party, and represented herein by its Director, Mr. Sanatkumar Manjre.

WHEREAS:

A) First Party is a Higher Educational Institution named: **S.B. Jain Institute of Technology, Management & Research, Nagpur**.

B) First Party & Second Party believe that collaboration and co-operation between themselves will promote more effective use of each of their resources, and provide each of them with enhanced opportunities.

C) The Parties intent to cooperate and focus their efforts on cooperation within area of Skill Based Training, Education, Placement, Industrial Visit, Expert Lecture.

D) **Unitech Reclamation Services, Nagpur** - the Second Party is engaged in Fabrication and repair of heavy machinery components, Pipeline laying work S.S., G.I. & M.S., Erection of

machines & turnkey jobs, Tank fabrication S.S. & M.S., Tool room jobs, TIG (Argon) welding job work.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MOU, THE PARTIES HERETO AGREE AS FOLLOWS:

CLAUSE 1 **CO-OPERATION**

- 1.1 Both Parties are united by common interests and objectives, and they shall establish co-operation.
- 1.2 First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities.
- 1.3 The parties shall co-operate with each other and shall as promptly as is responsibly practical, relevant agreement.

CLAUSE 2 **SCOPE OF THE MoU**

- 2.1 Industrial Training & Visits: Industry and Institution interaction will provide an insight into the latest developments / requirements of the industries; the Second Party to permit the Faculty and Students of the First Party to visit its group companies and also involve in Industrial Training Programs for the First Party. This will provide confidence & smooth transition for students work. Also the Second party may register on the AICTE Internship Portal for the benefit of students.
- 2.2 Guest Lectures: Second Party to extend the necessary support to deliver guest lecturers to the students of the First Party on the technology trends and in house requirements.
- 2.3 Placement of trained students: second party will actively engage to help the delivery of the training and placement of the students of the first party on the technology trends and in house requirements.
- 2.4 There is no financial commitment on the part of the **Unitech Reclamation Services, Nagpur** the first party to take up any program mention in MoU. If there is any financial consideration, it will be dealt separately.

2.5 Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required.

CLAUSE 3

VALIDITY

3.1 This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period, the Second Part.

CLAUSE 4

RELATIONSHIP BETWEEN THE PARTIES

5.1 It is expressly agreed that First Party and Second Party are acting under this MOU as independent contractors, and the relationship established under this MOU shall not be construed as a partnership.

Activity Report

Session: 2023-24 (EVEN)

Report Summary

Name of Activity	Seminar on “Career Opportunities in Mechanical Engineering and Internship program in Design and Analysis Domain as per Industry Standards”
Date of Activity	08-04-2024
Name of faculty members	Mr.Nikhil Shrikhande,Mr.Shrikant Kathwate, and Mr.Ajay Joshi
Name of Internal Coordinator	Mr.Faisal Hussain (IIC Coordinator)
Place of Activity	Seminar Hall
Purpose of Activity	To provide participants with insights into the various career opportunities available in the field of mechanical engineering. Additionally, it aims to highlight the importance of internship programs specifically focused on design and analysis, emphasizing their alignment with industry standards. By doing so, the seminar seeks to equip attendees with knowledge and understanding essential for navigating their career paths effectively within the mechanical engineering domain.
No. of students participated	102
Summary of Activity	<p>Department of Mechanical Engineering in association with Industry Institute Interaction Cell (IIC) and in collaboration with Institution’s Innovation Council (IIC) organized a seminar on “Career Opportunities in Mechanical Engineering and Internship program in Design and Analysis as per Industry Standards” for Mechanical Engineering Students. Mr. Anil Jain, Design Engineer affiliated with Virtual Simutech Pvt. Ltd. and G2G Innovation LLP in Pune was the guest speaker for the seminar.</p> <p>Mr. Jain's expertise and firsthand experiences enriched the seminar, shedding light on the evolving landscape of mechanical engineering careers and the critical role played by internship programs in the design and analysis domain. Throughout the session, Mr. Jain emphasized the importance of staying abreast of industry standards and technological advancements.</p> <p>He shared practical advice on leveraging internship opportunities to gain hands-on experience, develop essential skills, and build a strong foundation for a successful career in mechanical engineering.</p> <p>Overall 102 students participated in the event. The seminar facilitated interactive discussions, allowing students to delve deeper into the subject matter and gain valuable insights into industry trends and requirements.</p> <p>The seminar was successfully coordinated by Mr.Faisal Hussain (IIC Coordinator) under the guidance and unwavering support of Dr. Harish Bhatkulkar, Head of the Department.</p>

Activity Report

Session: 2023-24 (Odd)

Report Summary

Name of Activity	Exposure Visit to Exhibition of 38th National Convention of Mechanical Engineers at VNIT, Nagpur
Date of Activity	08-09-2023 (1:30 pm to 05:00 pm)
Name of faculty members	Honorable members of V.N.I.T., Nagpur.
Name of Internal Coordinator	Prof. Nikhil Shrikhande (SBJITMR, Nagpur)
Place of Activity	V.N.I.T., Nagpur.
Purpose of Activity	To explore cutting-edge innovations, network with industry professionals, and acquire practical knowledge on sustainable engineering practices, automation, and emerging technologies within the field of mechanical engineering. Additionally, to identify potential collaborations and opportunities for professional growth in this dynamic sector.
No. of students participated	50
Summary of Activity	Department of Mechanical Engineering along with Industry Institute Interaction Cell in association with Institution's Innovation Council organized an Exposure Visit to 38th National Convention of Mechanical Engineers at VNIT, Nagpur on 08th September- 2023 from 11.00 am to 05.00 pm for Mechanical Engineering students. The visit provided a comprehensive insight into the latest innovations and sustainable engineering practices, fostering personal and professional growth. The visit encouraged the networking opportunities with industry experts and peers offered potential collaborations and career prospects. This convention served as a wellspring of inspiration, motivating a commitment to excellence in the field of mechanical engineering. In summary, the convention was an invaluable opportunity for learning, networking, and personal development, promising a positive impact on the future endeavors within the mechanical engineering domain. Overall 50 students participated in this event. The event was coordinated by Prof. Nikhil Shrikhande.

CADD MASTRE TRAINING SERVICES

#403, 2nd Floor, Above Desigrall Hotel, Beside Akshay Bhavan, Main Road

Nandanvan, Nagpur-440009 (MH) India. Ph:8087162564 www.caddmastre.in

NON DISCLOSURE AGREEMENT

Particulars-

1. This is the Non-Disclosure Agreement between CADD Mastre (First Party), Internship Candidates (Second Party) and Department of Mechanical Engineering, S.B.J.I.T.M.R., Nagpur (Third Party).
2. CADD Mastre Director Mr. Atish Bawankar shall be directing the live project related to Liquefied Nitrogen Gas (LNG) Tank Research & design for heavy commercial vehicles,
3. Following students shall be the part of project team to be included as "Internship Candidates" from the Department of Mechanical Engineering, S.B.J.I.T.M.R., Nagpur.
List of students-

Mr. Adarsh Parate, Mr. Avagesh Prajapati, Mr. Chetan Nimbalkar, Mr. Navin Wahane, Mr. Pawan Parate, Mr. Sanket Meshram, Mr. Utkarsh Kadu

4. This will be a live project work to be submitted to company and henceforth the work related data shall not be disclosed by the Second Party and Third Party in any digital form on any portal, websites, social media and any other related platforms.
5. Students shall be allowed to include the work data in their Power Point Presentation and Internship Report, although it shall be completely for curriculum/credit completion purpose and shall be kept within agreement by the respective authorities.

Span of internship- 10 July 2023 to 25 August 2023

To

Mr. Sanat Kumar Manjre
CEO, Unitech Reclamation Services,
Plot No. 265, Chikhali Layout, B/H Fire Brigade,
Kalamana Road, Nagpur-440008,
Maharashtra, India.

Subject: Request to allow our students for visit in your esteem organization for live project work.

Respected Sir,

We take this opportunity to introduce S. B Jain Institute of Technology, Management and Research, Nagpur (SBJITMR), an Autonomous Institute, Affiliated to RTMNU, Nagpur approved by AICTE. The Institute was established in 2008, awarded "Grade A" by National Assessment and Accreditation Council (NAAC) and is an ISO 9001-2008 Certified Institution.

We request your permission and support for a student industry-based project that will be conducted by a group of our students. The students who will be participating in this project are as follows:

Sr. No	Name of Student	Contact No	Email-Id
1	Mr. Gilroy Wong	7768063887	gilroywo.mc@sbjit.edu.in
2	Mr. Mayur Wanjari	8669884889	mayurwa.me@sbjit.edu.in
3	Ms. Shivani Mishra	8830148213	shivanimi.me@sbjit.edu.in
	Mr. Shekhar Mishra	9021439341	shekharmi.me@sbjit.edu.in
	Mr. Prashik Kadbe	9405916579	prashikka.me@sbjit.edu.in

permitted
for Industry
based Project
Unitech Reclamation Services

18/09/23

The project is a vital component of their academic curriculum and is aimed at providing them with practical exposure to real-world industrial processes and challenges. We will ensure that the project aligns with their academic goals and provides a valuable learning experience.

We assure you, that the students will strictly follow the rules and regulations laid by your industry, during the visit. An affirmation from your side would go a long way in establishing a strong bond between the industry and the institute.

Kindly acknowledge and approve the same at the earliest.
Regards.

Memorandum of Understanding (MOU) between DataFlair Web Services Pvt Ltd and S.B. Jain Institute of Technology, Management & Research, Nagpur

Date: 27 Sept-23

Parties:

1. **DataFlair Web Services Pvt Ltd**, 140-d, Sudama Nagar, Indore, MP, hereinafter referred to as the "DataFlair."
2. **S.B. Jain Institute of Technology, Management & Research, Nagpur** hereinafter referred to as the "College."

Background:

The College is committed to providing high-quality education and enhancing the employability of its students.

DataFlair specializes in offering free certification courses on latest cutting-edge technologies, study material, interview questions, tests, projects, and industry-recognized certificates in various technical domains, thereby supporting skill development and employability.

Purpose:

The purpose of this Memorandum of Understanding is to establish a framework for collaboration between the College and the DataFlair Company to benefit the students of the College through the free Certification courses that the DataFlair Company is providing.

Terms of Collaboration:

1. **Course Access:** The DataFlair Company will provide free access to its certification courses, study material, interview questions, tests, projects, and industry-recognized certificates to the students of the College.
2. **Customization:** The College may request course customization to align with its curriculum and specific requirements. Such requests may be considered by the DataFlair Company on a case-by-case basis.
3. **Technical Support:** The DataFlair Company will provide technical support to ensure the smooth delivery of courses.
4. **Certification:** Upon successful completion of courses, students will receive industry-recognized certificates from the DataFlair Company, enhancing their employability.
5. **Collaboration:** The College and the DataFlair Company will collaborate on sharing the courses to all the students of the College every year (Not only to few batches) and ensuring awareness of the available resources.
