ACM/ICPC Chapter Inauguration

Link of social media (facebook):	https://www.facebook.com/profile.php?id=6155119763777&mibextid=ZbWKwL
Academic Year:	2023-24
Quarter:	1
Activity Name:	ACM/ICPC Chapter Inauguration
Program Type (FDP /Conference/ind. Visit etc):	NA
Program Theme (startup/IPR/Incubation etc):	NA
Duration of activity (minutes):	290 min
Date:	25/08/2023
No. of students Participant:	127
No. of Faculty Participant:	15
No. of External Participant:	Mr.Utkarsh Parchand
Expenditure Amount:	NA
Remark:	Successfully Completed

Mode of session:	Offline
Objective:	<ol style="list-style-type: none"> 1. Promote Competitive Programming: Encourage and facilitate the participation of students in competitive programming contests, such as the ICPC, to enhance their problem-solving and algorithmic skills. 2. Competitions and Hackathons: Organize local coding competitions, hackathons, and coding challenges to test and improve students' programming skills.
Benefits in terms of Learning/skill/knowledge:	<ol style="list-style-type: none"> 1. Teamwork: ACM ICPC is a team-based competition, promoting collaboration and teamwork among members, improving communication and cooperation skills. 2. Competitive Edge: Participation in ACM ICPC can significantly boost a student's resume and academic profile, making them more attractive to employers and graduate programs.

All the teaching and non-teaching staff of the Emerging Technologies Department are hereby informed that, the Departmental Forum (EMERGICON) is conducting activities for III year students of AI&DS on 9th September, 2023.

Activity Schedule:

- **Lecture on "Smart India Hackathon"** by Ms. Ashwini Yerlekar, 10:30 AM to 11:30 AM.
- Lecture by **GATE Club** of EMERGICON, 11:30 AM to 1:00 PM.
- Hands on session by **Web Designing Club** of EMERGICON, 2:00 PM to 3:30 PM.
- Expert Talk on "**Financial Literacy**" by CA Sumit Tajpuriya and Mrs. Ritika Tajpuriya, 3:30 PM to 5:30 PM.

Venue: MBA Seminar Hall

Overall Report:

The GATE Exam Club of our department conducted a highly informative and engaging lecture focused on GATE exam preparation. The lecture covered essential topics, including exam syllabus, study techniques, time management, and problem-solving strategies.

Attendees actively participated in practice exercises, and the Q&A session provided valuable insights. Feedback from students indicated high satisfaction with the content and delivery.

Overall, the lecture successfully equipped students with the knowledge and motivation needed to excel in the GATE exam, demonstrating the club's commitment to supporting their academic and career goals.

Academic Year:	2023-24
Quarter:	1
Activity Name:	Seminar on "Career Building on Artificial Intelligence and Machine Learning"
Program Type (FDP /Conference/	Seminar
Program Theme (startup/IPR/Incubation etc):	NA
Duration of activity (minutes):	120 min
Date:	11/03/2023
No. of students Participant:	44
No. of Faculty Participant:	15
No. of External Participant:	0
Expenditure Amount:	NA
Remark:	Successfully Completed
Mode of session:	Offline

<p>Objective:</p>	<p>Explore Cutting-Edge Innovations: Unveil the latest advancements and breakthroughs in (AI) and (ML), shedding light on their practical applications across various industries.</p> <p>Understanding Impact and Opportunities: Delve into the transformative impact of AI and ML technologies, identifying the vast opportunities they present for businesses, society, and everyday life.</p> <p>Fostering Collaboration and Knowledge Sharing: Facilitate a platform for interdisciplinary collaboration, encouraging the exchange of ideas and expertise among enthusiasts in the field of AI and ML.</p>
<p>Benefits in terms of Learning/skill/knowledge:</p>	<p>1. Insight into Transformative Technologies: Gain a deep understanding of the capabilities and potential applications of AI and ML, unlocking opportunities for innovation across various industries.</p> <p>2. Skill Enhancement and Learning: Acquire knowledge about the latest tools, techniques, and trends, empowering attendees with new skills and insights crucial for professional and personal development in a rapidly evolving field.</p> <p>3. Awareness of Ethical and Societal Implications: Explore the ethical considerations and societal impacts of AI and ML, promoting a responsible approach towards the deployment of these technologies for the betterment of society.</p>
<p>Photograph 1 (Jio tagged)</p>	
<p>Photograph 2 (normal)</p>	
<p>Overall report of activity</p>	<p>1. Key Insights and Learnings: Detailed analysis and synthesis of the seminar's discussions, highlighting the most crucial takeaways and new understandings in the AI and ML landscape.</p> <p>2. Attendee Feedback and Engagement: Summary of participant feedback, including opinions, queries, and engagement levels, reflecting the overall reception and interaction during the seminar.</p> <p>3. Impact on Industry and Society: Evaluation of how the seminar content and discussions could potentially influence or shape industry practices and societal perspectives regarding the implementation and ethical considerations of AI and ML.</p>

Objective:	<ol style="list-style-type: none"> 1. Promote Competitive Programming: Encourage and facilitate the participation of students in competitive programming contests, such as the ICPC, to enhance their problem-solving and algorithmic skills. 2. Competitions and Hackathons: Organize local coding competitions, hackathons, and coding challenges to test and improve students' programming skills.
Benefits in terms of Learning/skill/knowledge:	<ol style="list-style-type: none"> 1. Teamwork: ACM ICPC is a team-based competition, promoting collaboration and teamwork among members, improving communication and cooperation skills. 2. Competitive Edge: Participation in ACM ICPC can significantly boost a student's resume and academic profile, making them more attractive to employers and graduate programs.

Overall Report	<p>The ACM/ICPC Chapter Inauguration at SBJITMR held on 25/08/2023 at Em .TECH auditorium , marked a significant milestone for the college's Emergicon Department .</p> <p>The event successfully introduced the chapter, highlighting its mission to promote competitive programming, algorithmic mastery, and teamwork. Attendees gained insights into the benefits of ACM ICPC participation, including advanced problem-solving skills, coding proficiency, and global exposure. The inauguration sets the stage for a dynamic and collaborative environment, fostering student learning, skills development.</p>

Tips For GATE Preparation

Link of social media (facebook):	https://www.facebook.com/profile.php?id=61551119763777
Academic Year:	2023-24
Quarter:	1
Activity Name:	Seminar on GATE Preparation
Program Type (FDP /Conference/	Seminar
Program Theme (startup/IPR/Incubation etc):	NA
Duration of activity (minutes):	60 min
Date:	11/04/2023
No. of students Participant:	44
No. of Faculty Participant:	4
No. of External Participant:	0
Expenditure Amount:	NA
Remark:	Successfully Completed
Mode of session:	Offline
Objective:	1.Comprehensive Coverage of Syllabus; Offer guidance on how to cover the extensive GATE syllabus, emphasizing key topics and their weightage, enabling a well-rounded preparation.

	<p>2.Practice and Mock Tests: Facilitate access to practice materials and mock tests, aiding candidates in familiarizing themselves with the exam pattern and enhancing time management skills.</p> <p>3.Mentorship and Support: Provide mentorship, clarifications, and support to address doubts, boosting candidates' confidence and offering them a supportive environment during their preparation journey for GATE.</p>
Benefits in terms of Learning/skill/knowledge:	<p>1.Optimized Preparation: Guidance leads to a more structured and efficient study approach, enabling candidates to cover the extensive GATE syllabus in a more organized and effective manner.</p> <p>2.Time Management Skills: Guidance on efficient study techniques and mock tests aids in honing time management skills, crucial for the timed nature of the GATE examination.</p> <p>3.Reduced Stress and Anxiety: Effective tips alleviate stress by offering a clear roadmap and strategy, instilling confidence and a sense of readiness among candidates, reducing anxiety associated with the exam.</p>
Photograph 1(Jio tagged)	
Photograph 2 (normal)	
Overall report of activity	<p>1.Analysis of Candidates' Responses: Summarizing feedback from candidates who utilized the tips, providing insights into their experiences, challenges, and the efficacy of the guidance provided.</p> <p>2.Performance Enhancement: Evaluation of how the tips influenced candidates' performance, identifying improvements in their understanding, retention, and overall readiness for the GATE examination.</p> <p>3.Recommendations for Future Preparation: Offering suggestions for further improvements, additional strategies, or modifications to optimize the effectiveness of the tips for future GATE aspirants.</p>

CIRCULAR

All the teaching and non-teaching staff of the Emerging Technologies Department are hereby informed that, the Departmental Forum is conducting a Expert talk on "Career Building in Artificial Intelligence and Machine Learning" in collaboration with ED CELL for III year students of AI&ML on 4th November 2023. Scheduled time for the same will be 10:30 AM to 1:30 PM.

Expert: Mr. Gandhar Patwardhan
Founder and Managing Director
S2P EDUTECH.

Venue: MBA Seminar Hall

Seminar on "Career Building on Artificial Intelligence and Machine Learning"

Link of social media (facebook):	https://www.facebook.com/profile.php?id=61551119763777
Academic Year:	2023-24
Quarter:	1
Activity Name:	Seminar on "Career Building on Artificial Intelligence and Machine Learning"
Program Type (FDP /Conference/)	Seminar
Program Theme (startup/IPR/Incubation etc):	NA
Duration of activity (minutes):	120 min
Date:	11/03/2023
No. of students Participant:	37
No. of Faculty Participant:	15
No. of External Participant:	0
Expenditure Amount:	NA
Remark:	Successfully Completed
Mode of session:	Offline
Objective:	Explore Cutting-Edge Innovations: Unveil the latest advancements and breakthroughs in (AI) and (ML), shedding light on their practical applications

	<p>across various industries.</p> <p>Understanding Impact and Opportunities: Delve into the transformative impact of AI and ML technologies, identifying the vast opportunities they present for businesses, society, and everyday life.</p> <p>Fostering Collaboration and Knowledge Sharing: Facilitate a platform for interdisciplinary collaboration, encouraging the exchange of ideas and expertise among enthusiasts in the field of AI and ML.</p>
Benefits in terms of Learning/skill/knowledge:	<p>1. Insight into Transformative Technologies: Gain a deep understanding of the capabilities and potential applications of AI and ML, unlocking opportunities for innovation across various industries.</p> <p>2. Skill Enhancement and Learning: Acquire knowledge about the latest tools, techniques, and trends, empowering attendees with new skills and insights crucial for professional and personal development in a rapidly evolving field.</p> <p>3. Awareness of Ethical and Societal Implications: Explore the ethical considerations and societal impacts of AI and ML, promoting a responsible approach towards the deployment of these technologies for the betterment of society.</p>
Photograph 1 (Jio tagged)	
Photograph 2 (normal)	
Overall report of activity	<p>1. Key Insights and Learnings: Detailed analysis and synthesis of the seminar's discussions, highlighting the most crucial takeaways and new understandings in the AI and ML landscape.</p> <p>2. Attendee Feedback and Engagement: Summary of participant feedback, including opinions, queries, and engagement levels, reflecting the overall reception and interaction during the seminar.</p> <p>3. Impact on Industry and Society: Evaluation of how the seminar content and discussions could potentially influence or shape industry practices and societal perspectives regarding the implementation and ethical considerations of AI and ML.</p>

Session: 2023-2024 (ODD)

Name of Course	Seminar on "Awareness of GATE Exam"
In Collaboration with	IEEE CS Chapter, SBJITMR, Nagpur.
Details of Trainer	Ms. Mayuri Botre (Assistant Professor) Department of Computer Science & Engineering, SBJITMR, Nagpur
Date	28/08/2023
No. of students participated	45
Objectives	<p>The objective of this Seminar is to provide the knowledge and skills for</p> <ul style="list-style-type: none"> Career Opportunities after cracking GATE Exam. For aspirants who want admission to Master's programmes or postgraduate engineering (ME/M. Tech) Assessment of their potentials Tests the comprehensive understanding of undergraduate subjects in engineering.

Details:

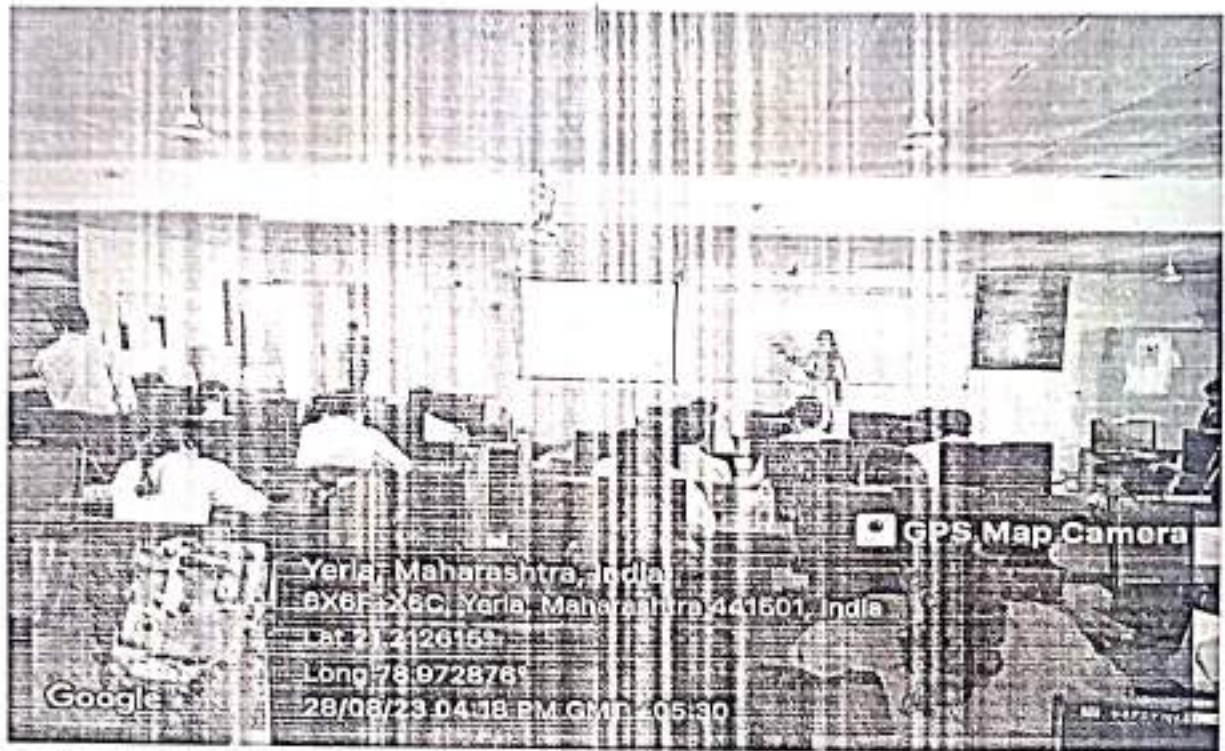

The department had organized a seminar on 'Awareness of GATE Exam' for third year students. The students have actively participated in this interactive offline session. The expert for the session was Ms. Mayuri Botre (Assistant Professor) Department of Computer Science & Engineering SBJITMR, Nagpur.

The session started by awareing students about the job opportunities and advised them to focus more on studies and industrial training programs. She also informed students on gap between requirement of industry and skills of an engineer. She also gave some tips to students to excel in interview. Total 45 students are benefited by this seminar.

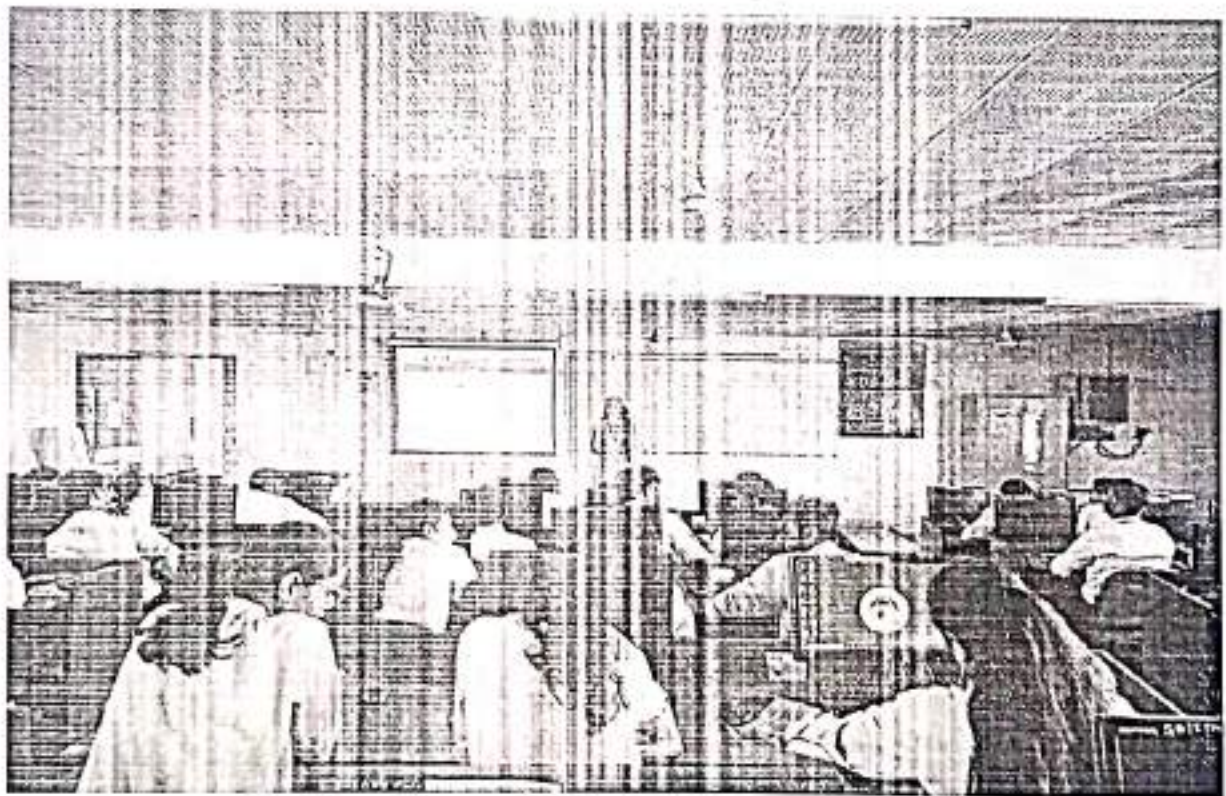

After attending whole session, the students were able to motivate themselves to work harder which have eventually made them one step closer towards achieving their goals in life. The seminar session had seen many positive feedbacks from the students.

Average Feedback: 83.33 %

(An Autonomous Institute, Affiliated to RTMNU, Nagpur)

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

"To become a center for quality education in the field of computer science & engineering and to create competent professionals."

Session: 2023-2024 (EVEN)

Name of Course	Technical Aptitude for Campus placement
In Collaboration with	-
Details of Trainer	Mr. Muktinath Vishwakarma, ExFaculty, Symbiosis Institute of Technology and PhD Research Scholar(VNIT)
Date	16/02/2024
No. of Students Participated	89
No. of Faculty Participated	01
Objectives	<ul style="list-style-type: none"> • To demonstrate the importance of technical skills on C programming language in campus placement • To make the students aware of effective techniques to improve the C Language programming skills. • To assess the C Programming skills of the students.

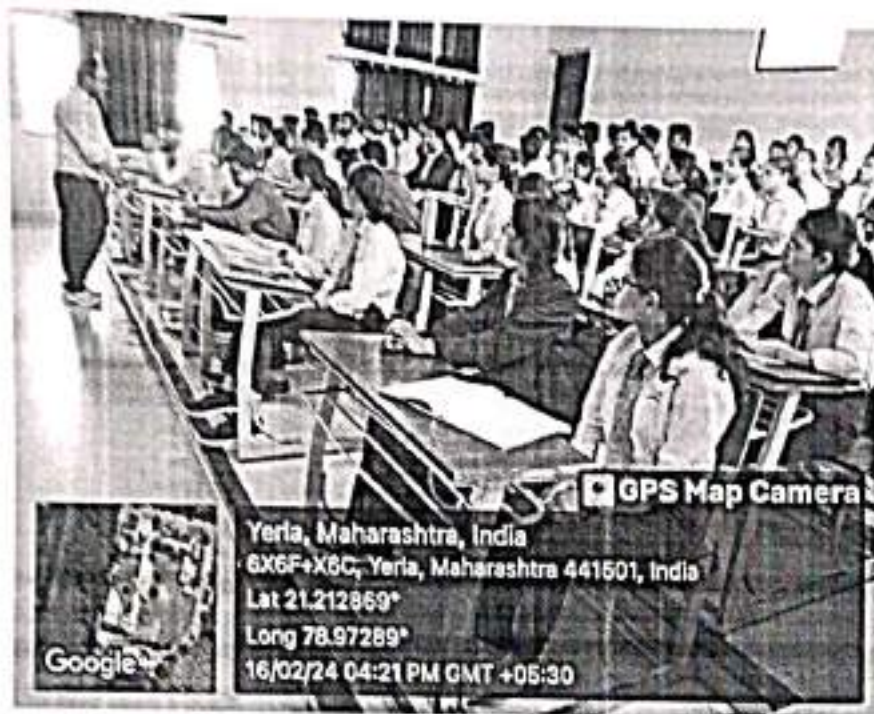

Details:

C is always considered as core of computer languages in modern computer science .Command over this languages can bring lot of change in orientation of student towards career. It is considered as basics and question during placement or any job interview are expected from C. A student trying to make career in computer science can not avoid Core C programming language

This seminar made the students familiar with the questions on C programming language which were asked in the IT companies such as TCS, Infosys,etc. Students were also explained the concepts while explaining the solution of each question with the necessary tips to improve further technical aptitude skills.

Finally, the seminar concluded with the efforts needed to further get the command over C programming language to increase the prospects in the campus placement.

Session: 2023-2024 (Even)

Name of Activity	Skill Development Workshop on Recent Industrial Trends
Details of Trainer/Resource Person	Mr. Chetan Joshi, Mr. Vaibhav Kurankar
Date	01/02/2024
No. of students participated	65
PO & PSO Mapping	-
Objectives	To get the overall orientation about the recent industrial trends and to explore TCS NQT process.

Details:

TCS iON National Qualifier Test (TCS iON NQT) helps to prove students' skills to top corporates. Students may choose to get tested on aptitude skills, domain specific skills or work values. The tests are scheduled every 2-4 weeks in our exam centres. TCS iON NQT Scorecard will showcase students' performance in every section of the test. Students can apply for jobs in various Corporates that accept TCS iON NQT Score from our website and respective Corporates' websites.

The Resource Person has discussed the various point as given below -

- Pre-final or final year students of any stream or degree
- Students passing between 2018-2024, who are looking for a job
- Working professionals with up to 2 years of experience

The Resource Person discussed about Spring Framework. It is a popular, open source, enterprise-level framework for creating standalone, production-grade applications that run on the Java Virtual Machine (JVM). Java Spring Boot (Spring Boot) is a tool that makes developing web application and microservices with Spring Framework faster and easier through three core capabilities-

1. Autoconfiguration
2. An opinionated approach to configuration
3. The ability to create standalone applications

These features work together to provide a tool that allows us to set up a Spring-based application with minimal configuration and setup. Spring Boot applications can also be optimized and run with the Open Liberty runtime." After the copy please post a cta to the Spring Boot with Liberty section.

Date	1/11/2023
No. of students participated	177
Objectives	The objective of this Seminar is to provide the knowledge and skills for <ul style="list-style-type: none"> • Education system in USA • Assessment of their potentials • Career Opportunities

Details:

The department had organized a seminar on **Graduate Admission in USA** for third and final year students. The students have actively participated in this interactive offline session. The expert for the session was **Mr. George Pappas (Assistant Professor and Director), Ms. Shazee Shahzad (Sr. Recruitment Adviser), Mr. Gaurav Singh (Assistant Professor, Department of Mechanical, Robotics & Industrial Engineering), Mr. Destiny Anyaiwe (Assistant Professor, Department of Mathematics and Computer Science), MS Artificial, Intelligence Graduate program, Lawrence Technological University, Michigan.** The session started by awareness of Education system & career guidance options in USA etc. Total 177 students are benefited by this seminar.

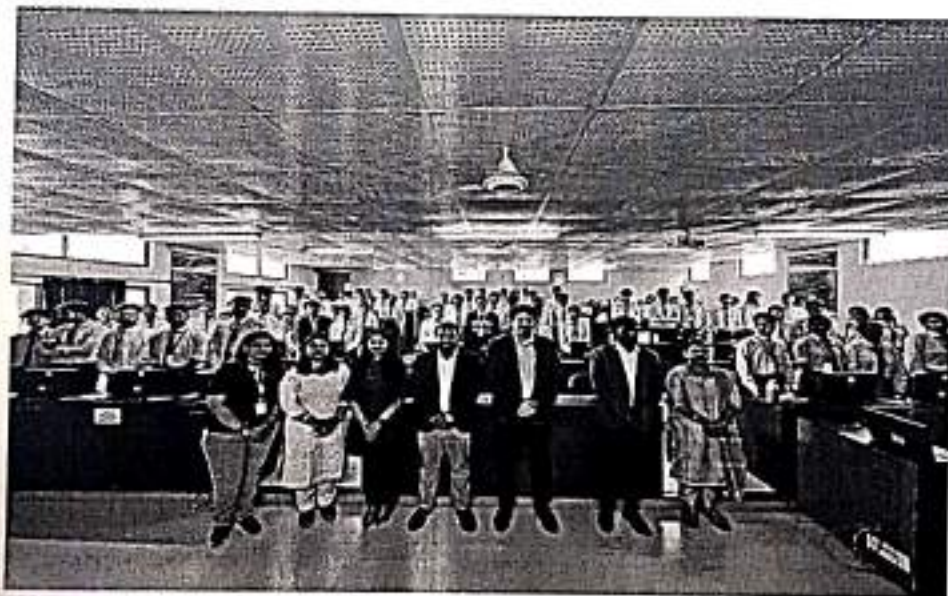

After attending whole session, the students were able to motivate themselves to work harder which have eventually made them one step closer towards achieving their goals in life. The seminar session had seen many positive feedbacks from the students.

Average Feedback: 86.19 %

 Name & Signature of Activity Co-ordinator
 (Mrs. Sonali Zunke)

Session: 2023-2024(ODD)

Name of Course	Expert Talk on “Career Guidelines”
In Collaboration with	IEEE CS Chapter and III Cell, SBJITMR Nagpur
Details of Trainer	Mr. Yadnil Prate Assistant Professor, SBJITMR
Date	26 th September 2023
No. of students participated	113
Objectives	The objective of this seminar is training session for: <ul style="list-style-type: none"> ● Identification of their career goals ● Assessment of their potentials ● Aware about various competitive Exam

Details:

The department had organised a Expert talk on Career guidelines and competitive Exam Awareness for third year students. The student have actively participated in this interactive session .The expert for this session was Mr. Yadnil Parate Assistant Professor SBJITMR. The session started by awareness of career guidance options and gave details insight of compstative Exam like UPSC, MPSC IAS etc.

For people who find it difficult to realize the right career meant for them; a career guide helps them sort this confusion. There are infinite career options available to choose from, and without an expert’s proper guidance, one might stick to a few that his/her friends or relatives ask him to pursue. An informed career guide makes one aware about the scope of every career option in detail, which widens the horizon for the student. For people who think they are clear on their career paths and have attained enough clarity to work towards a chosen career option, career guides ensure that they achieve their goals without any distractions.

(An Autonomous Institute, Affiliated to RTMNU, Nagpur)

DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

"To become a center for quality education in the field of computer science & engineering and to create competent professionals."

Session: 2023-2024 (EVEN)

Name of Course	CampusComm: Elevating campus placement prospects through effective Communication
In Collaboration with	-
Details of Trainer	Mr. Vikram Yadav, Trainer, Efficient Finishing School
Date	05-02-2024 to 09-02-2024
No. of Students Participated	304
No. of Faculty Participated	05
Objectives	<ul style="list-style-type: none"> • To demonstrate the importance of communication skills in campus placement • To make the students aware of effective techniques to improve the English language skills. • To assess the communication skills of the students.

Details:

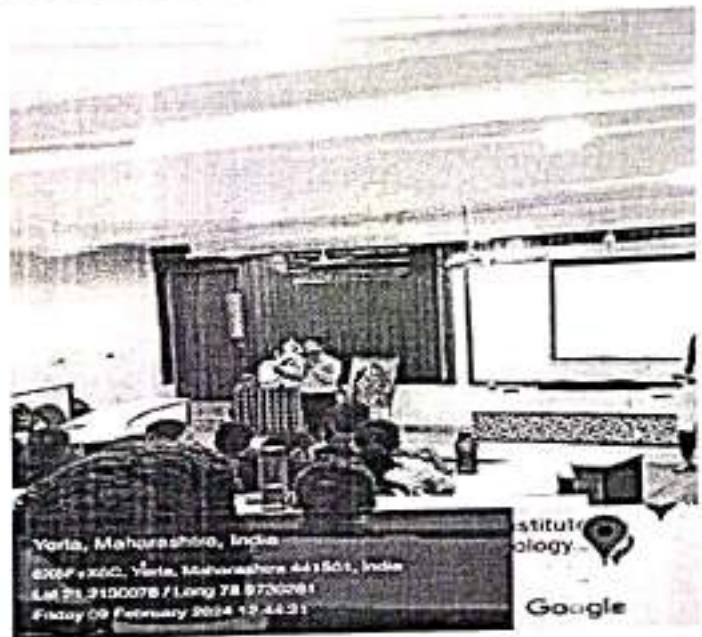

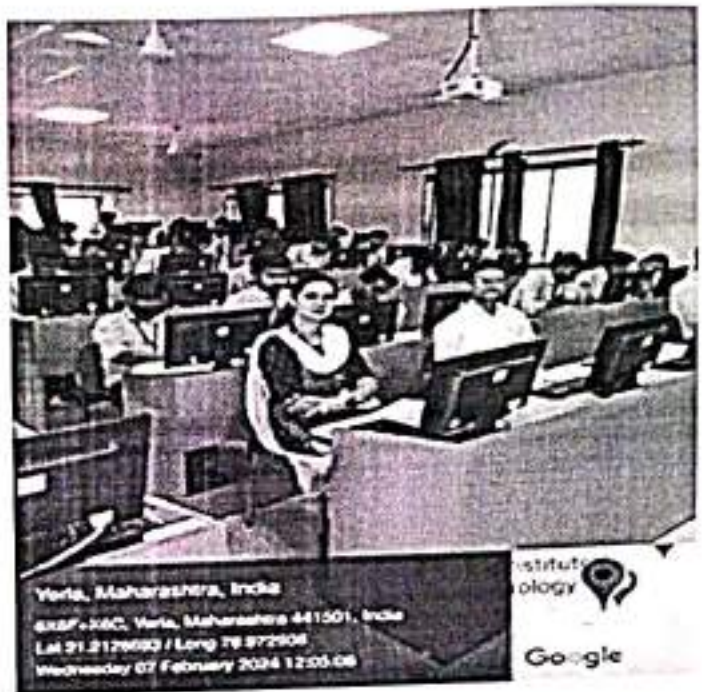

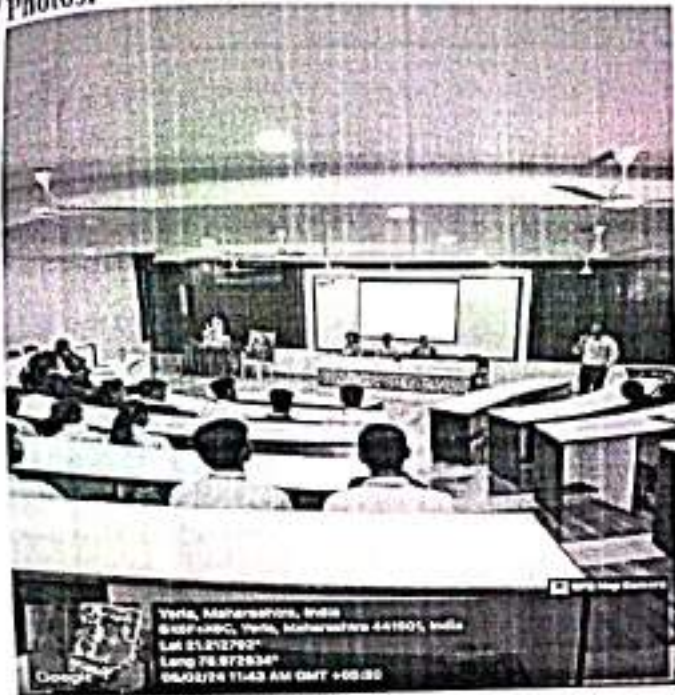

Communication skills are critically important since software companies keep these communication skills events in their placement process to learn whether a candidate is capable of expressing himself well in the English language. HRs of the companies try to figure out whether a candidate is capable of thinking about a topic, whether he is able to understand what is being asked, and whether he is able to come up with a concise, and appropriate response to the question being asked.

This seminar tried to fulfill the basics of communication skills required for communication skills. First students communication skill was assessed by taking written test and based on written test trainer gave tips to improve the English language.

Finally the seminar concluded with the efforts needed to further get the command over English language thereby improving communication skills.

Session: 2023-2024(ODD)

Name of Course	Seminar on "Using Technology for Visibility through LinkedIn"
In Collaboration with	Training and placement Department and IIC, SBJITMR Nagpur
Details of Trainer	Mr. Pashupati Rao FACE Prep Senior trainee Higher Education Land your dream Tech job with FACE Prep
Date	29 th August 2023
No. of students participated	117
Objectives	The objective of this seminar is training session on Advanced Use of LinkedIn for students PPG Institute of Technology to enhance their LinkedIn profiles and help them find job/internship opportunities on LinkedIn.

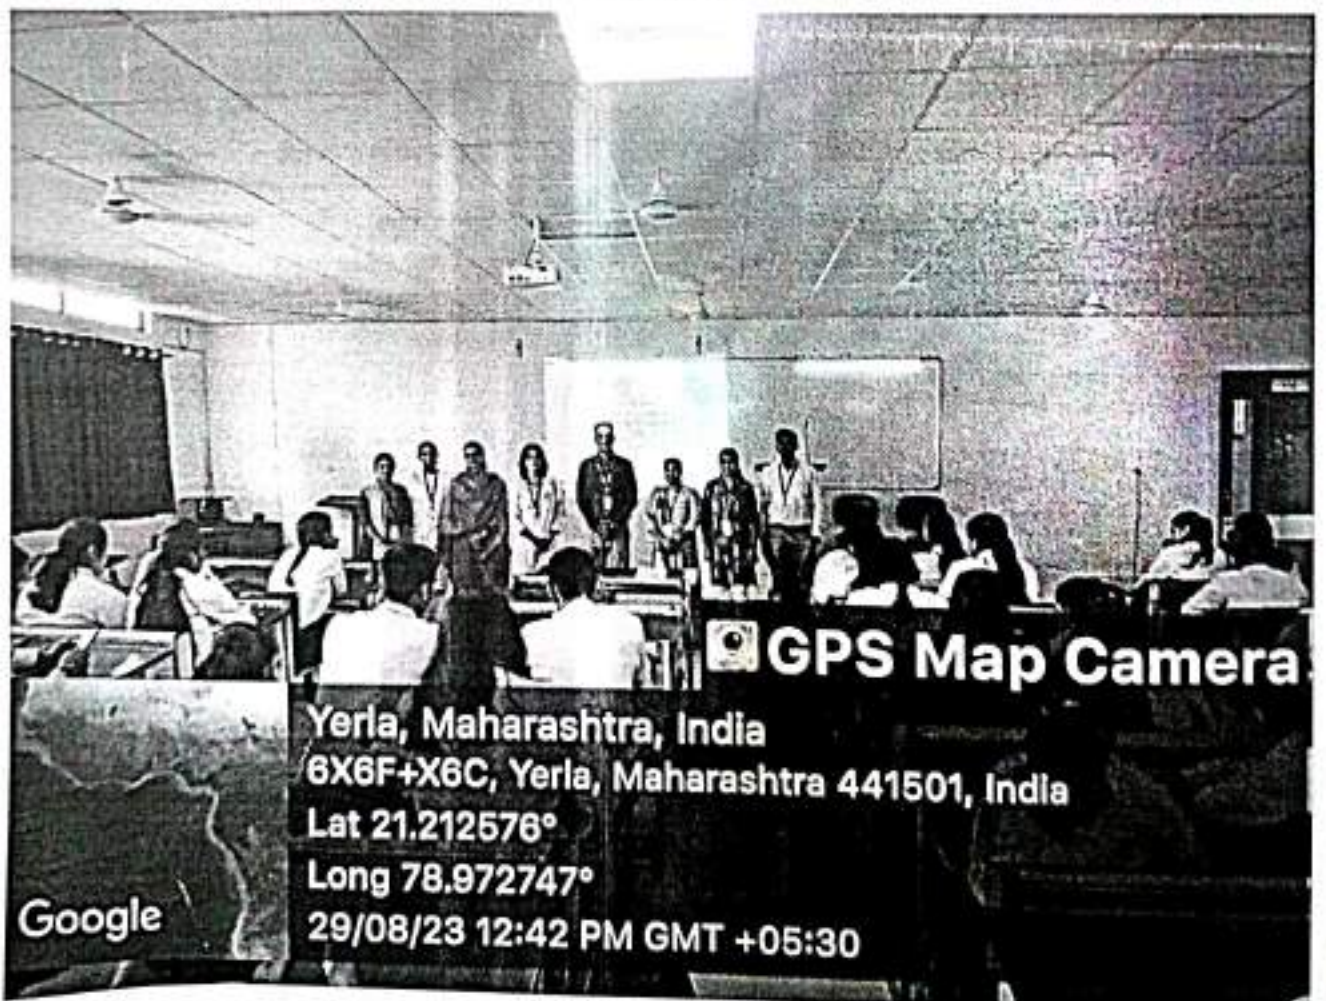

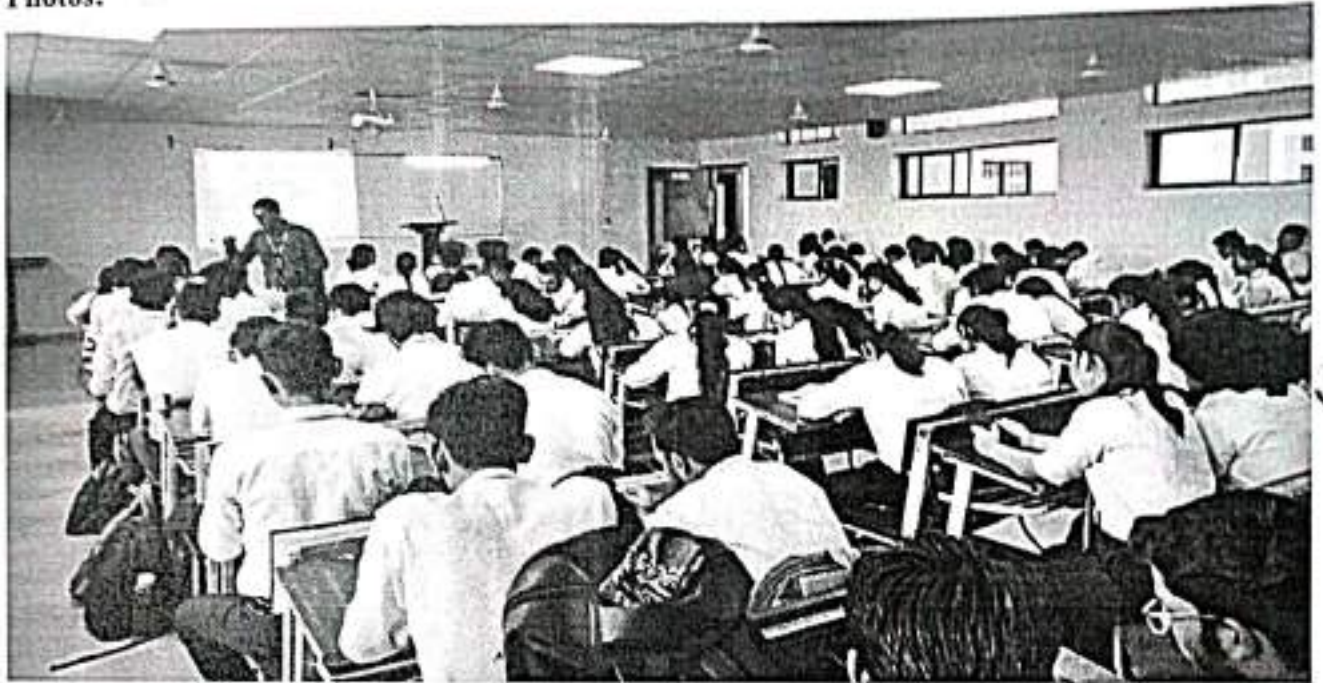

Details:

FACE Prep in partnership with LinkedIn conducted a training session on Advanced Use of LinkedIn for students PPG Institute of Technology to enhance their LinkedIn profiles and help them find job/internship opportunities on LinkedIn. Students are also given 6 months FREE LinkedIn Premium account upgrade which includes LinkedIn Learning as a part of the program and are excited to try out LinkedIn Premium and LinkedIn Learning.

The objective of this seminar is to help students to get familiar, with LinkedIn. Sir had explain about how you can use LinkedIn to find the right job or internship, connect and strengthen professional relationships, and learn the skills you need to succeed in your career tools. A complete LinkedIn profile can help you connect with opportunities by showcasing your unique professional story through experience, skills, and education. LinkedIn is the world's largest professional network on the internet.

LinkedIn offers a free, basic membership to anyone who wants to create and maintain a professional profile online. If you upgrade to a Premium subscription, you'll gain further access to LinkedIn's products and features. LinkedIn paid subscriptions include marketing, recruitment, sales, and learning products.

Report Activity

(Session 2023-24)

Name of the Activity:-	Seminar on "Study Abroad & International Career prospects" by Mr. Kamalkar Rao Nayani, Senior center Manager of KC Overseas Education, Nagpur for the students of V & VII semester
Date of Activity:-	6/10/2023 from 10:30 AM to 1.30 PM.
Name of Expert Faculty :-	Mr. Kamalkar Rao Nayani, Senior center Manager of KC Overseas Education, Nagpur
Name of Internal Coordinator:-	Dr. Chandrakant Rathore
Place of Activity:-	S.B. Jain Institute of Technology, Management & Research, Nagpur.
Purpose of Activity:-	Seminar aims to provide valuable insights into the opportunities and benefits of pursuing education abroad and the potential international career prospects that follow. Mr. Nayani, with his extensive experience and expertise in the field, will cover various aspects of studying abroad, including the application process, popular destinations, academic programs, and cultural experiences. Attendees will gain a comprehensive understanding of the advantages of international education and how it can shape their future careers.
No of students Participated:-	95

Photographs:-

Activity Report (Session 2023-24) EVEN

Name of the Activity:-	Seminar on " Career counseling opportunities & Preparation Strategies" for the student of VI, VI & VIII semester
Date & Activity Duration:-	13/02/2024
Program delivered by:-	Mr. Milind Chapekar
Faculty Co-coordinator:-	Mr. Vishant Naik, Mr. Devesh Sarkar and Mr. Harshal T. Ghatole
Participation count:-	100

"Career Counseling Opportunities & Preparation Strategies" focuses on empowering individuals by providing comprehensive support across various stages of their career journeys. The program aims to enhance practical skills such as resume writing, cover letter composition, and effective job search strategies. Additionally, it prepares individuals for interviews through mock sessions and advice on handling different interview formats. Personal branding and professional image building are emphasized to align with career aspirations and enhance visibility in the job market. The program also supports individuals through career transitions, provides entrepreneurial guidance, and promotes lifelong learning for continuous career development. Ensuring inclusivity, the program addresses the needs of individuals from diverse backgrounds, aiming to empower all participants to navigate their careers effectively and achieve their professional goals

Vision: Transform knowledge seekers to globally competent professionals in Electrical Engineering

Activity Report (Session 2023-24) EVEN

Name of the Activity:-	Seminar on "Exploring Emerging Markets" for IV, VI and VIII semester students.
Date & Activity Duration:-	14/03/2024
Program delivered by:-	Dr. D. P. Kothari
Faculty Co-coordinator:-	Mr. Vishant Naik, Mr. Devesh Sarkar and Mr. Harshal T. Ghatole
Participation count:-	110

The Electrical Engineering Department had organized Seminar in collaboration with the IEEE PES S.B. Jain Student Chapter on "Exploring Emerging Markets: Job Prospects for Electrical Engineering Students" for all even semester students. Its scheduled to familiarizes the students with the todays requirement in the Government sectors job and the approach of taking a step towards an core industry so as to make them competent professionals as required for the workplace.

Circular

Subject: 2 Days Workshop on "PathFinder:Mapping Your Path through Government Examinations, MBA Entrance Preparation and Technical Skills Enhancement" for II and III year students.

IETE Student forum(ISF) of Department of Electronics and Telecommunication Engineering in association with **ASPIRE Club** and **Department of Training & Placement** is organizing a 2 Days workshop on "PathFinder:Mapping Your Path through Government Examinations, MBA Entrance Preparation and Technical Skills Enhancement" for II and III year students. This workshop will provide valuable insights and practical knowledge that can help the students make decisions about academics and career pursuits. The workshop will cover various topics including different Government examinations, Public Service Commission examinations, MBA programs, MBA entrance preparation, GitHub tools for real time project management, Introduction to Computer Networking and Cloud Configuration.

Day : session	Topic	Speaker	Time and venue
Day 1 :	Introductory session	Ms. Chaitali A. Darode	Time : 10:30 am to 11:30 am Venue : Seminar hall
Day 1 : Session 1	*MPSC exams *UPSC exams *Other government examinations	Mr. Amit Sawai, Aim high upsc mpse coaching Nagpur	Time: 11:30 am to 1:30 pm Venue: Seminar hall
Day 1: Session 2	GitHub tools for real time project management: Create a GitHub repository, What is version control, What is repository. Working directory, Linux command, Real time working on project, How solve the conflict	Mr. Sudhir Koche Director, Softronix, Nagpur	Time: 2:30 pm to 5:00 pm Venue: F106 First Year Computer Center

**Department of
Electronics and Telecommunication Engineering**

"Emerge as a center for quality education in Electronics & Telecommunication Engineering, so as to create competent professionals"

Day 2 : Session 1	<ul style="list-style-type: none"> *Introduction to MBA programs and their relevance in the industry. *Eligibility criteria and entrance exams (such as CAT, GMAT, GRE). *Tips for preparing for MBA entrance exams. *Discussion on the importance of extracurricular activities, internships, and work experience. *Career paths after completing an mba. 	Mr.Rishi Chourasia, Founder, Vikalp Education, Nagpur	11: am to 1:30 pm Seminar hall
Day 2 : Session 2	<ul style="list-style-type: none"> *Introduction to networking *Simple and different network topologies using simulation tools. *Cloud Configuration 	Mr.Raj Arora, CDO, Revat Networks, Nagpur	2:30 pm to 5:00 pm E008-Programming Lab

Circular

Subject : "Online Quiz Competition : Quantitative Aptitude" for all students of the institute

IETE Student Forum of Electronics and Telecommunication Engineering Department in association with ISF-Nagpur is organizing **"Online Quiz Competition : Quantitative Aptitude"**. This quiz is open to all students and participation is encouraged. This skill enhancement activity will help students to gauge aptitude strengths and identify areas for improvement. All the Head of Departments & faculty members are requested to motivate the students for maximum participation.

EXAM PROCESS:

1. ONLINE mode between 07/11/23 to 09/11/23
2. No of questions: 25 MCQ
3. Time slot: 30 Min
4. No negative marking
5. Study link: Online study link will be provided in group to share with students.

CERTIFICATE & CASH AWARD:

1. Certificate to all participants
2. Appreciation certificate – All winners
3. WINNERS: Overall Three Toppers scoring Highest Marks with Lowest Time. (Start time will be calculated from the start time of selected slots)
4. ISF Centre Topper: One from each centre with minimum 50 Registration
5. No topper will be selected from the centre having less than 50 registrations.

**Department of
Electronics and Telecommunication Engineering**

"Emerge as a center for quality education in Electronics & Telecommunication Engineering, so as to create competent professionals"

Date: Between 07/11/23 to 09/11/23 (Date & time will be informed to registered students)

Venue: Programming Lab [E008] :

Entry: IETE Members: 50/-

Non- IETE Members - Rs 80/-

Last date to register 04/11/2023 till 12:00Noon

Coordinators:

1. Mr. Ayush Patil (III Year)
2. Mr. Aditya Borkar (II Year)

**Prof. Ayushi Jaiswal
ISF In-Charge**

**Dr. Abhay R. Kasetwar
Head of Department
Head of Department

The IETE Students' Forum (ISF) of the Electronics and Telecommunication Engineering Department, in collaboration with the Institution's Innovation Council (IIC) organized a **"Online Quiz Competition : Quantitative Aptitude"** on 03/10/2023, 03:30 PM onwards."The event aimed to sharpen participants' quantitative reasoning skills. Hosted by ISF Forum Nagpur, this event seeks to engage students in a dynamic challenge, fostering numerical proficiency.

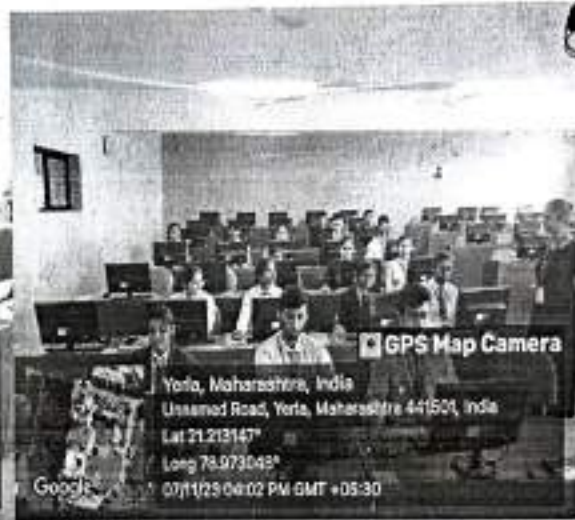

Quantitative Aptitude offers numerous advantages. It enhances participants' analytical skills, provides flexible accessibility, and delivers immediate feedback for self-improvement; the quiz comprised a range of quantitative questions covering topics such as arithmetic, algebra, geometry, and data interpretation. Participants demonstrated remarkable problem-solving abilities, showcasing a solid grasp of mathematical concepts. The quiz not only challenged their quantitative aptitude but also provided an engaging platform for learning and skill

enhancement. The event's success was evident in the active participation, competitive spirit, and the overall positive response from participants, reinforcing the importance of continuous learning in quantitative disciplines. Valedictory & Felicitation was organized at IETE Dharampeth Nagpur, where Dr. Rangankar Secretary IETE Nagpur addressed the gathering & felicitated the winners. Total 18 students participated in the competition. Prof. Ayushi Jaiswal along with student coordinators organized the event.

The IETE Students Forum - ISF, in collaboration with the Department of Training & Placement and in association with the Institution's Innovation Council - IIC, organized a seminar on "Unlocking Career Doors: Exploring Job Opportunities through LinkedIn." The seminar was held on 29th August 2023, 10:30 AM onwards for II year students of the Electronics and Telecommunication Engineering Department. The speaker of the seminar was Mr. Anmol Sajjan Chakre from LinkedIn, Hyderabad.

The seminar began with an introduction by the student coordinator of the IETE Students Forum, who welcomed the participants and highlighted the significance of utilizing digital platforms like LinkedIn for career advancement. The event then proceeded with a session designed to provide comprehensive guidance on using LinkedIn for professional growth. Sir elucidated the essential elements of a standout LinkedIn profile. The session covered the importance of a professional headline, a well-written summary, showcasing skills and experiences, and the appropriate use of multimedia to present accomplishments. Speaker shared

**Department of
Electronics and Telecommunication Engineering**

"Emerge as a center for quality education in Electronics & Telecommunication Engineering, so as to create competent professionals"

strategies for connecting with professionals, peers, and potential employers on LinkedIn. The speaker emphasized the value of engaging content, personalized connection requests, and meaningful interactions within one's network. The seminar also included an interactive segment where students could ask questions and seek advice from the panel of speakers. This segment provided students with the opportunity to clarify doubts, share their concerns, and gain insights directly from industry professionals. Total **53 students** attended the seminar. Prof. Ayushi Jaiswal along with student coordinators organized the event.

Activity Report
Session: 2023-2024(Even)

Report Summary	
Name of Activity	"Placement Guidance for Mechanical Engineers"
Date of Activity	16/01/2024 at 08.30 PM
Name of Resource person	Mr. Kunal Nimkar Triveni Turbines, Bangalore, India
Name of Internal Coordinator	Dr. Tushar Sathe
Place of Activity	Online (https://meet.google.com/ikk-gprn-vsx)
Purpose of Activity	The purpose of organizing the session is to provide final year students with valuable insights and guidance regarding career placement opportunities in the field of mechanical engineering. The session aims to equip students with the necessary knowledge and resources to navigate the job market effectively, understand industry expectations, and enhance their employability prospects.
No. of students Participated	40 (Final Year)
Summary of Activity	The Department of Mechanical Engineering organized a session titled "Placement Guidance for Mechanical Engineers" on January 16, 2024, aimed at providing final year students with valuable insights into career placement opportunities. The session, held from 08:30 PM to 09:30 PM, featured Mr. Kunal Nimkar, a Graduate Engineer Trainee at Triveni Turbines, Bangalore, as the resource person. Mr. Nimkar shared his firsthand experiences and expertise in navigating the job market within the mechanical engineering industry. He provided insightful guidance on resume building, interview preparation, and industry expectations, offering students practical advice to enhance their employability prospects.

The online session, conducted via Google Meet, ensured accessibility for all students, allowing them to participate from anywhere. Faculty members played a crucial role in encouraging student attendance to maximize the benefits of the session. Overall, the "Placement Guidance for Mechanical Engineers" session was highly informative and beneficial for the participating students. It equipped them with the necessary knowledge and resources to confidently pursue career opportunities in the field of mechanical engineering, fostering their professional development and preparing them for success in their future endeavors.

Report Summary	
Name of Activity	An expert session on "Higher Education Pathways for Mechanical Engineering Graduates"
Date of Activity	01/11/2023 at 11.00 am
Name of Resource person	Dr. Gaurav Singh Assistant Professor A Leon Linton Department of Mechanical, Robotics, and Industrial Engineering College of Engineering Lawrence Technological University, Southfield, MI 48075, United States
Name of Internal Coordinator	Dr. Tushar Sathe
Place of Activity	M001
Purpose of Activity	The primary objectives of this seminar are as follows: <ol style="list-style-type: none">1. Informative Guidance: Provide comprehensive and up-to-date information on diverse higher education options for mechanical engineering graduates.2. Career Clarity: Clarify potential career trajectories and advantages associated with pursuing advanced degrees in mechanical engineering.3. Interactive Q&A Platform: Facilitate direct interaction with Academic experts from Overseas universities to address students' queries, concerns, and misconceptions about higher education.4. Inspire Research and Innovation: Showcase the role of higher education in fostering research and innovation within the field of mechanical engineering, encouraging participants to contribute to advancements in the industry.
No. of students Participated	60 (Final Year)

Summary of Activity

The Department of Mechanical Engineering at SB Jain Institute of Technology Management and Research successfully organized an expert session on "Higher Education Pathways for Mechanical Engineering Graduates"

The expert session was conducted by Dr. Gaurav Singh, Assistant Professor from Lawrence Technological University, Southfield, MI 48075, United States, on November 01, 2023, from 11.00 AM to 12:30 PM, in M001.

Dr. Gaurav discussed the importance of specialized education in today's competitive job market and highlighted the benefits of pursuing higher education for career advancement. Attendees engaged in discussions about the differences between master's and doctoral programs, as well as the potential career paths available after completing each degree. Dr. Singh shared insights into the application process for universities abroad, scholarship opportunities, and the importance of building a strong academic profile. Participants also had the opportunity to ask questions and seek advice on selecting the right graduate program based on their interests and career goals. Networking discussions allowed students to connect with Dr. Singh and explore potential collaborations or research opportunities. Overall, the session provided valuable guidance and resources for mechanical engineering graduates to make informed decisions about their future academic and professional endeavors.

Throughout the session, attendees actively engaged in discussions, probing into the intricacies of various academic trajectories and their alignment with personal career aspirations. Dr. Singh's insights not only elucidated the benefits of specialized education but also underscored the significance of strategic academic planning in achieving professional success. Discussions further flourished around the application processes for international universities, strategies for securing scholarships, and the cultivation of a robust academic portfolio.

Moreover, the session served as a fertile ground for networking, fostering meaningful connections between students, faculty members, and the distinguished guest speaker. These interactions catalyzed the exploration of collaborative opportunities and potential research endeavors, enriching the academic experience of participants.

The session was coordinated by Dr. Tushar Sathe under the leadership of Dr. Harish Bhatkulkar, HoD, Department of Mechanical Engineering, SBJITMR, Nagpur.
